WORST OCEAN DISASTER IN WORLD'S HISTORY; TITANIC GOES DOWN; 1,341 LIVES ARE LOST

STEAMER CARPATHIA HAS 868 SURVIVORS OF ILL-FATED BOAT

Steaming Slowly for New York and
Should Arrive Sometime Thursday
Night or Early Friday
Morning

ONLY FRAGMENTS OF INFORMATION REACH SHORE

Women and Children Were First to be Lowered
Into the Lifeboats---1,341 Souls Went Down
With Titanic When It Plunged to Its Grave
Two Miles Underneath Ocean Surface.

New York, April 16.—The appalling magnitude of the wreck of the gigantic steamer Titanic has been but little mitigated by the fragments of information which have filtered in today. The rescuing steamer Carpathia has 868 survivors on board, according to the latest news received at the offices of the White Star line in this city.

This increases the list of the saved by about 200 persons from the list first reported, but except for this, the favorable details are insignificant compared with the supreme fact that the Titanic is at the bottom of the Atlantic and that the shattered wreck took with her 1341 victims to their death.

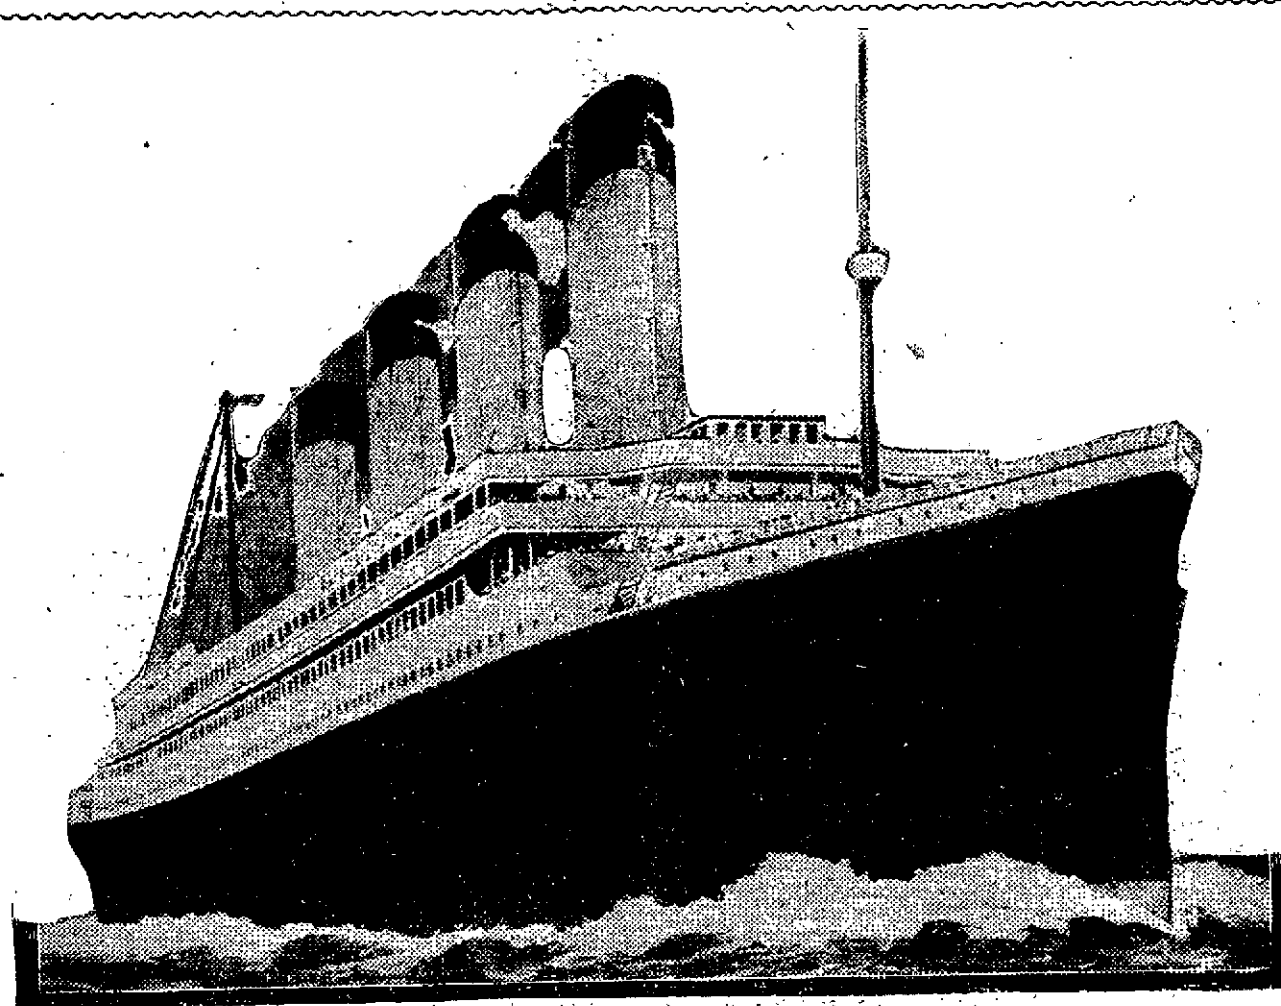

The first report giving the total survivors at 675 was varied by more favorable news early today. First from Captain Rostrom of the Carpathia, who gave the number at about 800, and a later report announcing to the White Star line that 868 survivors of the Titanic were on the Carpathia. But with these revised figures there are 1341 of the passengers and crews of the Titanic who have not been accounted for and are lost.

Hope hung desperately to the belief that the steamers Virginian and Parisian of the Allen line might have picked up survivors additional to those on board the Carpathia, but this was dispelled at 11 o'clock, when the Sable Island wireless station reported that the Parisian had no survivors on board, and when the officers of the Allen line in Montreal issued a statement that the captain of the Virginian had sent a wire saying he had arrived at the scene of the disaster too late to be of service. Both the Virginian and Parisian therefore appear to hold no hope of further reducing the extent of the calamity. The Virginian has proceeded on her way to Europe. The Carpathia, having on board the only survivors accounted for is coming in slowly to New York. All hopes for the details of the tragedy and its effort are centered in this ship. She will be in wireless communication with Cape Sable Island tonight and with Nantucket on Thursday, and will reach New York some time Thursday night or early Friday.

London, Paris and New York are grief stricken and overwhelmed with the news of the disaster. Thousands of relatives and friends of the passengers on board the Titanic thronged the steamship offices in all three cities, awaiting hour after hour for news that more than often meant bereavement and sorrow. People in Paris and London went to bed last night in the belief that all the passengers on board the Titanic had been saved. This morning brought the appalling truth.

Of the survivors on board the Carpathia, by far the largest number is women and children. Many of the greatest prominence on two continents are among the missing. No word has been received of Col. John Jacob Astor, but his wife, however, is reported to have been saved. Alfred G. Vanderbilt was not on board the Titanic, as was first reported. He is in London. Isadore Strauss, the New York millionaire merchant and philanthropist, who was on board, has not been reported among the survivors. One of the best known London representatives of the Standard Oil Company, W. H. Harrison, failed to sail on the Titanic, as he had intended. He is the father of the former second secretary of the U. S. embassy in London, Layland Harrison, now secretary of the embassy at Bogota, Colombia.

Mr. and Mrs. Isadore Strauss had less operator on the last night stating not intended to sail on the Titanic. "Making slowly for Halifax, practically reached a sudden decision to take the liner and caught the boat at the last minute. The message received by the parents of J. A. Phillips, the wire-

THE TITANIC, WHICH FOUND A GRAVE TWO MILES BELOW THE SURFACE OF THE OCEAN.

NEWARK WOMAN'S MOTHER AUNT AND COUSIN WERE TITANIC PASSENGERS

Mr. and Mrs. Carl A. Weiant, residing east of the city, are much interested in the terrible disaster to the steamship Titanic. Mrs. Weiant's mother, Mrs. J. C. Hageboom, an aunt, Miss Kornelia Andrews, and a cousin, Miss Gretchen Longley, all of Hudson, on the Hudson, N. Y., were among the first cabin passengers on the big liner on her maiden voyage.

Mrs. Weiant, naturally anxious after the alarming messages of Monday night and Tuesday morning, inquired of the Advocate for news of her relatives.

The Advocate queried the Associated Press asking if the revised lists of rescued passengers contained any of the names of Mrs. Weiant's relatives.

Tuesday afternoon, the Advocate received a special dispatch saying that Mrs. Hageboom and Miss Longley were among those rescued from the sinking ship. A later telegram brought the information that Miss Andrews was also among those saved. This information was telephoned directly to Mrs. Weiant by the Advocate.

Mrs. Hageboom and party were returning from a trip to Europe and boarded the ill-fated steamer at Southampton April 10. Mrs. Weiant is anxiously waiting word from the party to make sure that they are safe.

Besides the relatives of Mrs. Weiant, a number of Ohio people are aboard, including several from Columbus, who are well known to many Newark people. The Columbus people are Mr. and Mrs. R. L. Beckwith, Mrs. Beckwith is a daughter of Mrs. William Moneybenny, Sr., Miss Helen Newsome, a daughter of Mrs. Beckwith by a previous marriage, was also a passenger and the later list of rescued passengers included her name.

Many Ohio people, particularly from Columbus, were booked for passage on the boat at various times this summer.

from the son as it was signed "Phillips."

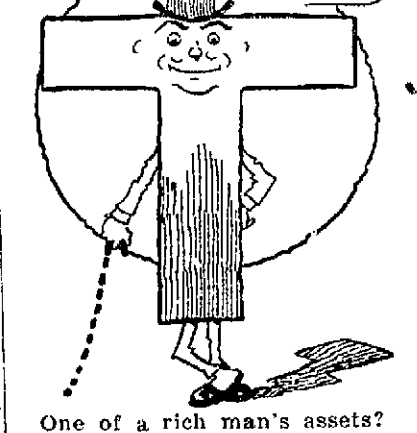

The Trans-Atlantic lines have agreed on amount of the icebergs to cross longitude 47 in latitude 40-10 east, beginning today and longitude 47, latitude 41 west bound beginning April 25.

New York, April 16.—Vice President Franklin, of the International Mercantile Marine, said that the company was holding back no information and the steamship Olympic was now standing off Cape Race rearing names of the passengers on the Carpathia to the wireless station at Cape Race.

Cincinnati, April 16.—Mrs. George

Answer to Monday's puzzle—Lyre.

WORLD'S LARGEST STEAMER

The Titanic was the world's largest steamer. It was about the height of the Newark court-house and was long enough to have reached from the Advocate office north beyond Locust street—382 feet. It was as wide as West Main street—big enough to have accommodated 4,000 people—one-eighth of all the people in Newark. The Titanic had 11 decks—one more than the Trust building. Two regal suites on the Titanic cost \$4,350 each for the trip, the occupants having a private promenade deck. The tonnage of the boat was equivalent to a train of 900 coal cars or a train of coal almost nine miles long.

Cincinnati steamship agencies state there were no other Cincinnati people on board the Titanic.

Cleveland, April 16.—Ernest Crease, and Rolan Stanley, returning to this city after an absence of several years, were aboard the Titanic and have not been accounted for.

St. Johns, Newfoundland, April 16.—Messages from Cape Sable indicate that the majority of the men on the men on the steamship Titanic went down with the ship. The belief was general here today that all who survived from the wreck were on board the Carpathia. The steamer Virginia, which halted her voyage from Halifax to Liverpool when near the scene of the disaster, was also on board.

GREAT MARINE DISASTERS

St. George, Defense and Hero stranded near Jutland, December 24, 1811; 2,000 lost.
Lady Sherbrooke sinks off Cape Ray, August 19, 1831; 273 lost.
Phoenix burns on Lake Michigan, November 21, 1847; 240 lost.
Royal Adelaide, wrecked off Margate, March 30, 1850; 400 lost.
Griffith, Erie to Cleveland, burns June 17, 1850; 300 lost.
San Francisco, in Pacific, sinks December 23, 1853; 240 lost.
Powhatan, Havre to New York, sinks off Long Island Beach, April 16, 1854; 311 lost.
Arctic collides with Vesta, off Newfoundland, Sept. 27, 1854; 350 lost.
Le Lyonnais, sinks off Nantucket, November 2, 1856; 280 lost.
Central America, Havre to New York, sinks with passing steamer, September 12, 1857; 400 lost.
Lady Elgin, sinks on Lake Michigan, September 8, 1860; 287 lost.
Rhine and Wye, sinks October 29, 1867; 1,000 lost.
Atlantic, sinks off Nova Scotia, April 1, 1873; 547 lost.
Kapunda, London to Australia, sinks off Brazil, Jan. 20, 1887; 300 lost.
Utopia, sinks off Gibraltar, March 17, 1891; 511 lost.
Nanchow, sinks in China sea, January 13, 1892; 414 lost.
Slocum, burns in East river, New York, June 15, 1904; 1,000 lost.
Ouda, sinks near Java, November 14, 1909; 100 lost.
Sardina, burns November 25, 1909; 100 lost.

RECENT MARINE DISASTERS

February 12, 1910—155 drowned when French liner General Chanzy pounded to pieces on Island of Majorca.
April 26, 1910—Steamer Aurora sunk by iceberg and lost with 187.
March 28, 1911—138 drowned in loss of Australian coasting steamer Yorgala.
April 25, 1911—760 saved and 30 drowned when big Pacific liner Asia hit rocks off China coast.
July 7, 1911—290 rescued by beeches buoy, 25 drowned, when steamer Santa Rosa split amidship near Santa Barbara, Cal.
August 9, 1911—97 drowned by sinking of French mail steamer Emir in Strait of Gibraltar.

ENTIRE WORLD STUNNED BY NEWS OF DISASTER TO THE STEAMER TITANIC

Hysterical Men and Women Crowd
Office of Steamship in New York
and Hundreds Give Way to
Sobs and Tears

UNTOLD WEALTH REPRESENTED BY THOSE ON BOARD

Col. John Jacob Astor, Isador Strauss, Benjamin Guggenheim, Geo. P. Widener and Many Other Notable Men in High Finances are Reported Among Those Missing.

New York, April 16.—More than 1,500 persons, it is feared, sank to death early yesterday, when, within four hours after she crashed into an iceberg, the mammoth White Star Line steamer Titanic, bound from Liverpool to New York, on her maiden voyage, went to the bottom of the Newfoundland banks. Of the approximately 2,200 persons on board the giant liner, some of them of world-wide prominence, only 675 are known to have been saved. The White Star offices in New York, while keeping up hope to the last, were free to admit that there had been "horrible loss of life."

Accepting the early estimates of the fatality list as accurate, the disaster is the greatest in the marine history of the world. Nearest approaching it in magnitude were the disasters to the steamer Atlantic in 1873 when 574 lives were lost and to La Bourgogne in 1888, with a fatality list of 571.

By midnight Bowling Green, in front of the White Star line offices, was the parking place of a large number of automobiles of prominent residents of the city who had driven down town for first hand information. Wealth and society rubbed elbows with poverty in the crowd that besieged the steamship officials and both classes were in deep grief.

There were many instances of fashionably gown women going into hysterics when the hopeful reports of the afternoon were blasted with the news that probably only 675 persons had been saved.

Vincent Astor, only son of Colonel John Jacob Astor, accompanied by A. J. Biddle of Philadelphia and Colonel Astor's secretary were among the crowd at the offices and left with tears in their eyes after a fifteen minutes' conference with Vice President Franklin. Relatives of Isidor Straus and of a number of other prominent passengers had similar conferences with Mr. Franklin and came away with the same dejection.

Police reserves had to be called to several sections of the city last night to control crowds gathered around newspaper bulletin boards for news of the Titanic. The disaster stunned the gay Broadway district, as perhaps no disaster ever had so completely before, for many of those who poured out of the theaters had friends on the steamer. The newspaper district was crowded till after midnight.

TITANIC IS INSURED FOR \$5,000,000; TOTAL LOSS IS MANY MILLIONS MORE

New York, April 16.—The Titanic was insured at Lloyds for \$5,000,000, according to advices from London last night and it was said here that the International Mercantile Marine company also carried a surplus fund for insurance purposes, which could be applied to the loss.
The cost of building the great liner has been estimated at \$10,000,000, although Vice President Franklin of the White Star Line insisted that her value was not over \$8,000,000.
The total monetary loss caused by the sinking of the ship, however, is certain to run many millions more, but the total amount can not even be conjectured. It is generally understood that the vessel had aboard diamonds of great value, estimated as high as \$5,000,000, and also a large amount of bonds. The amount of freight carried was comparatively small for the size of the ship, and, according to a White Star Line official its value would not reach over \$500,000. The Titanic carried 3423 bags of mail of unknown value, which it is hardly likely was saved.

GRAVE FEARS FELT FOR THE REST

Boston, April 16.—A wireless message picked up late last night, relayed from the Olympic, says that the Carpathia is on her way to New York with 866 passengers from the steamer Titanic, aboard. They are mostly women and children. The messages said, and it concluded: "Making slowly for Halifax. Practically unsinkable. Don't worry."

London, April 16.—The parents of J. A. Phillips, the wireless operator aboard the Titanic, received last night this wireless message from him: "Making slowly for Halifax. Practically unsinkable. Don't worry."

STATE LEAGUE OPENS APRIL 25 MANSFIELD HERE

Columbus, April 16.—When the season of the Ohio State League is just three days old, all the six opening games will have been played if the weather will do its part. Club owners passed favorably yesterday upon the schedule arranged by Robert Quinn and thereby agreed to have their teams ready for the start on Thursday, April 25. This date is one day later than that originally fixed upon. By using it for the beginning, 140 games can be played without a scheduled double-header on a day off in the season that will end on Sunday, September 8.

April 25 assignments are as follows: Portsmouth at Chillicothe; Marion at Lima; Mansfield at Newark.

On April 26, the following day, Chillicothe goes to Portsmouth; Newark, Mansfield and Lima to Marion.

The first Sunday games of the season will be played at Marion, Chillicothe and Newark, against the Lima, Portsmouth and Mansfield clubs, respectively.

All clubs, Mansfield excepted, were represented. President Brown of the Mansfield club wired his proxy, President Harry Wright of Lima was accompanied by Messrs. John and W. Kaufman, as well as Manager Weigley. Vice President Frank Grubb was the Chillicothe delegate. Portsmouth's interests were looked after by President Gableman.

Newark's business manager, Theo. de Weiffenbach, represented the Wardens-Walkers company. Edgar Stalger, who is heading the new Marion company, restored his city to the O. S. circle.

Each club was reported to have players in abundance, two or three of them being down near the maximum in their chain and the season's opening is being awaited with great interest everywhere.

Umpires awaiting orders to come to Columbus next week for their instructions are Harry Truby of Ironton, Harvey Pastorsky of Akron and Joe O'Brien of Rochester, N. Y.

WHAT'S THE REASON? Many Newark People in Poor Health Without Knowing the Cause.

There are scores of people who drag out a miserable existence without realizing the cause of their suffering. Day after day they are racked with backache and headache; suffer from nervousness, dizziness, weakness, languor and depression. Likely the kidneys have fallen behind in their work of filtering the blood and that is the root of the trouble. Look to your kidneys, assist them in their work—give them the help they need. You can use no better remedy than Doan's Kidney Pills—endorsed by over one hundred thousand people, and by your neighbors in Newark.

Orange Barrett, 3 Livingston ave., Newark, Ohio, says: "My experience with Doan's Kidney Pills has been such that I do not hesitate to recommend them. For some time I had suffered from irregular kidney action. The kidney secretions contained sediment and my back ached. Finally I saw Doan's Kidney Pills advertised and got a supply at A. F. Clayton & Co.'s Drug Store. Their sale brought me entire relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

"OLD SPORT" TELLS ABOUT "MYSTERIOUS BILLY" SMITH

"It pains me deeply," declared the Old Sport, placing a guarded hand on his prominent tum-tum, "to find so much ignorance abroad in the land in respect to the man who has been known as 'Mysterious Billy' Smith. He was the first man to hold the welterweight championship of the world. He was 'Mysterious Billy' Smith, whose real name was James. Tomorrow will be an important anniversary in Smith's career, as he won the title on April 17, 1893, and lost it to 'Matty' Matthews on April 7, 1900. Smith, which was his real name, was a down-East Yankee and was born in 1871 in Eastport, Me. He was famous for his alleged savagery. It was in the early '90's that he pugilistic authorities decided that a new class was needed for the fighters who were too light to be middleweights and too heavy to be welterweights. 'Welter,' according to Webster, means to 'wallow in something, a blood,' or 'to fall or tumble over.' There were men among the contenders for the title who could do both. The London rules had no such class, which was created by American followers of the game to fill a long felt want. The original welterweight was 40 pounds, and among the promising fighters who could tip the scales at that weight, besides Smith, were Tommy Ryan, 'Young Corbett,' and the Australian, George Dawson, and Tom Williams. Smith began fighting as a bantamweight, but he was a husky sardine can at Eastport before he was sent to sea on an old wind-jammer, finally ending in San Francisco. In the Golden Gate city he soon made a reputation as a fast, rough fighter, and is close-mouthed attitude about himself led him to be dubbed 'Mysterious Billy.' After cleaning up all the most promising contenders for the welterweight title, Smith went to New York, and in that town, on April 17, 1893, the first bona fide battle in which he welter title was involved was waged with Smith and Tom Williams as principals. In the third round, Williams downed Smith, and after that 'Billy' has his ups and downs, but the title changed hands several times. He was still acclaimed the leader of the division in 1900, however, when on April 17 he met 'Matty' Matthews at the old Broadway Athletic club in New York. That go went when Williams was in the last round, Smith was still strong, and was tannin' Matthews with his lack of a punch when his swift right on the jaw not only closed his mouth, but sent him off to the beautiful land of dreams."

YOUNGSTOWN WINS SECOND NEWARK GAME

Youngstown, April 16.—Youngstown won the opening game from Newark by presenting that team with a goose egg, allowing the visitors but two hits, while Youngstown scored eight hits, scoring on six of them. The batting of Brouchers and Boucher were features. Score by innings: 0 0 1 0 3 2 0 0 6 8 3 Y. N. 0 0 0 0 0 0 0 0 0 0 0 2

Portsmouth 8; Springfield 7. Springfield, April 16.—The locals were defeated by the Portsmouth team of the Ohio State league yesterday, by the score of 8 to 7, in a long, drawn-out game. Both sides used three pitchers—none of them being effective. The locals lost on errors, outbidding the visitors. Score—Portsmouth, 8; Springfield, 7. Batteries—Marshall, Burr and Beers; Taylor, Ashenfelter, Gilbert and Blackburn.

INSPECTION OF CELLARS IN THE NEWARK STORES

Steps Taken to See That Premises Are Kept in Proper Shape—Guarding Against Fire.

An important step towards fire prevention was taken by hundreds of Newark people on Clean-up Day last week when cellars and attics and stores and dwellings were relieved of their burden of debris. A systematic inspection of basements in the business district of Newark is to be made and all defective wiring will be reported. Attention will be paid to swinging gas jets to rubber hose attachments to gas pipes, to oil soaked "waste" and to all inflammable material. Proper care of property will go a long way towards preventing fire disaster.

The fire waste of the country is excessive, and is sapping its prosperity.

Fire losses in the United States and Canada in 1911 were \$234,337,250, most of them due to carelessness.

Fire losses in January and February of 1912 were \$64,255,100, 70 per cent more than for the same months last year.

Fire losses and the cost of fire prevention in the United States amount annually to \$450,000,000, or more than the total American production of gold, silver, copper and petroleum in a year.

The cost of fires each year is one-half the cost of all the new buildings erected in a year.

The annual per capita fire waste in the United States is \$2.31, in Europe 33c. Cause: The latter has better construction, less carelessness, increased responsibility.

If buildings in the United States were as fire proof as in Europe the annual cost of fire losses and protection would be only \$90,000,000.

New York city spends \$4,000,000 a year for fire extinguishment and \$15,000 a year for fire prevention.

Of 4,234 known causes of fire in Chicago last year 1,121 were due to the careless use of matches. Nearly ten thousand matches are scratched every second of the day in this country, every one a possible fire.

Over five thousand are killed and 50,000 injured annually as a result of fire.

If you, reader, know of property needing inspection or know of a case that should be investigated in Newark you are requested to telephone to the Board of Trade, Auto phone 1781.

RESTORE GRAY HAIR TO NATURAL COLOR A SENSIBLE WAY TO CURE A COLD

Common Garden Sage, a Simple Remedy for Dandruff, Falling, Faded, Gray Hair.

The old idea of using Sage for larkening the hair is again coming in vogue. Our grandmothers had lark glossy hair at seventy-five, while our mothers are gray before they are fifty. Our grandmothers kept their hair soft and glossy with "Sage Tea," which also restored the natural color.

One objection to using such a preparation was the trouble of making it. This objection has been overcome by the Wyeth Chemical Company of New York, who has placed on the market a superior preparation of Sage, combined with Sulphur and other valuable remedies for dandruff, itching scalp and thin, weak, falling hair.

The beauty of the hair depends more on its rich, even shading than anything else. Don't have dry, harsh faded hair when a simple, harmless remedy will bring back the color in a few days; and don't be tormented with dandruff, itching scalp and loose falling hairs. Wyeth's Sage and Sulphur Hair Remedy will quickly correct these troubles, and give color strength, and beauty to your hair.

Get a fifty cent bottle from your druggist today, and prove this to your own satisfaction. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented. Frank D. Hall, agent.

NOTICE OF APPOINTMENT.
Estate of Joseph R. Smith, Deceased.
Harvey N. and Joseph Smith have been duly appointed and qualified as administrators of the estate of Joseph R. Smith, late of Licking County, Ohio. Dated this 13th day of April, 1912.

ROBERT HUNTER,
Probate Judge.

NICE WARM FEET FOR EVERYBODY Begy's Mustardine Makes the Blood Circulate and Surely Does Chase Away Coldness.

Everybody knows that incipient pneumonia, bronchitis, pleurisy, tonsillitis, stiff neck, coughs and sore throat disappear over night by just rubbing on Begy's Mustardine, a remedy that is quickly absorbed by the skin.

But there's a whole army of people that suffer all winter long when Begy's Mustardine will put warmth and comfort into their cold feet—and keep them warm.

Just rub it on; its clean, will not blister or soil, and you get a big box for 25 cents. Evans' Drug Store says if it doesn't give satisfaction—money back.

Use it to instantly banish neuralgia, headache, earache, chilblains and frost-bites—use it for sprains, lameness, bunions and callouses. Be sure it's Begy's.

"Don't's" For Husbands.

Cleveland, O., April 15.—Don't forget your wife wants to be loved as much after marriage as before.

Don't arrange for your second marriage before your first wife is either dead or divorced.

Don't compel your wife to ask for a cent every time she needs one.

Don't expect your wife to work fourteen hours a day when you work only eight.

Don't carry all your religion in your wife's name.

Don't let your neighbors pity your children because you were their father.

Don't gossip—men should not encroach on a woman's privilege.

Don't try to run a 40 horsepower automobile on a four horse power salary.

ORDER TREES FOR ARBOR DAY

The Arbor Day Committee for the Board of Trade desires to co-operate with you in procuring and planting trees on Arbor Day, Friday, April 19th, and requests that you fill out this blank for such trees as you may need and return same to the Board of Trade.

Please enter my order for Maple Trees as noted below:

I will want trees, for which I agree to pay forty cents each if delivered at the Court House square, Thursday, April 18th, 1912.

Signed

Street

If you want trees delivered at your residence or some special place sign the following:

I want trees delivered at Street

No. for which I agree to pay fifty cents each.

Signed

Note—You will greatly lessen the labor of the committee if cash is sent with order.

IMPROVEMENT OF NEWARK

By MYRTLE ROSS, SEVEN TH GRADE, SOUTH THIRD

Newark, the city in which we live, seems very nice to us, but by a stranger there are many things which might be criticised. As I live in the South End I know more about that part of town than any other. I think that Newark ought to be kept clean and the way to keep it clean is to begin in your own yard. Then we ought to be careful about throwing fruit peelings on the streets.

I think it would be just fine to have a street car line in the South End, and also a subway. If street cars would run in this part of town they would take you through most beautiful places on the way to the Catholic cemetery. Just a little out of town the late Mr. Veach owned a large field, which would be a fine place for a park for the people or a play ground for the children.

By CORNELIA ELLIS,
Sixth Grade, Central School.

Newark, beautifully situated as it is among the hills, ought to be a great pride to those who live within its borders. And in many ways it is; its wide streets, its many pretty homes, and beautiful churches, its business section which is being improved every day are things of which we can be proud. There are many things which can be done to put it in better standing among other cities of its size.

First of all, it seems to me, that law enforcement is the thing which ought to be insisted upon at all times. With good laws enforced everything else that is good for our city is bound to come.

In the second place, there are our streets which ought to be cleaned often. Many sidewalks are in need of being repaired. Vacant lots should have proper care during the summer months. Alleys should be kept free from debris and garbage. All this would add to the beauty and health of our city.

Our canal surely is not a thing of beauty as it stands. It is only a breeder of disease. There is no reason why it could not be kept clean.

One thing of which Newark can justly boast is the old historic

mounds. The are wonderful, but it does seem a pity that the park around them is not better cared for. It ought to be made a delight to the eye, a place where we are proud to take our out of town friends. A gem of its beauty ought, to be thoroughly appreciated, have a setting which will show it off to advantage, so with our mounds to be appreciated they ought to have a proper setting.

You could scarcely find a more beautiful cemetery than the one on Cedar Hill. If we give to the dead such a beautiful and well cared for resting place would it not be equally fitting to enable the living to enjoy a beautiful park which could be made for them if as much care and thought were given to Mound Builders park as to Cedar Hill cemetery.

FIRST THINGS

The first definite step in the tragedy which led to the execution of the ill-fated Emperor Maximilian of Mexico was taken half a century ago today, when the French declared war against Juarez, the President of Mexico. The English and Spanish allies were withdrawn from the expedition, leaving the French to prosecute the war for the establishment of an empire on the ruins of the Mexican republic. For a time the European invaders were successful, and by 1864 held possession of most of Mexico. The occupation continued until 1867, when the United States, again a united country, assumed a hostile attitude toward the disturbers of American peace. France then deserted the cause of Maximilian, leaving him to his fate.

The Mean Thing.

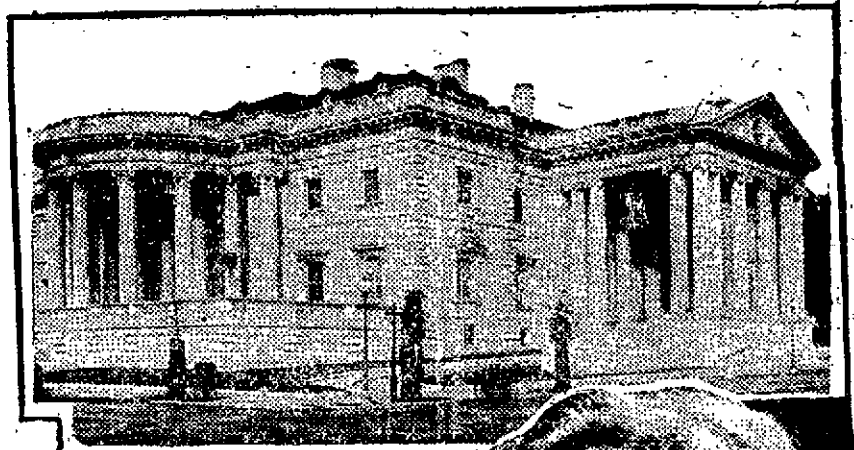

I simply can't stand the toot of an automobile horn." How's that? "A fellow eloped with my wife in an automobile, and every time I hear a horn toot I think he's bringing her back."—Minnesota Minnehaha.

D. A. R. CONVENTION THREATENS TO BE A STORMY SESSION FOR LEADERS

Mrs. Mathew T. Scott and Continental Hall where meetings will be held.

When the Laughters of the American Revolution meet in their annual convention this week, there is to be some lively fighting. The convention always does bring about a fight and this is not to be an exception. One of the chief sources of trouble is the selection of the president general. Mrs. Mathew T. Scott, who won out after a hard fight on the floor of the last convention, is to be opposed again. The meeting will be held in Continental Hall at Washington.

ST. JOE ROAD

Mrs. Harriet Priest is much improved in health.

Mr. and Mrs. Silas Hayes spent Sunday at the Sutton home.

Mr. W. O. Johnson was elected school director for the coming year.

Mr. James McCarthy of Newark was a guest at the home of J. B. Cushman Sunday.

Rev. B. M. O'Boylan and Mr. A. Wehrle of Newark were here Tuesday.

Rev. Father Von Villie left for Corning Monday.

Mr. Lewis Cushman was in Newark Sunday.

Mr. Wm. Haver of Thurston is spending a few days on his farm here.

Bargains in Want Column tonight

MANY SUDDEN DEATHS

From Poisonous Rheumatism
Rheumatism has for years been regarded as an exceedingly painful disease, but it has only been discovered within the last few years that it is this terrible trouble that is either directly or indirectly causing thousands of deaths yearly throughout our country. Rheumatism of the heart, Neuralgia of the heart, Paralysis, Uric Acid Poisoning are among the most dangerous forms of the disease. If Uric Acid is allowed to stay in the system sudden death can scarcely be averted but if any sufferer will go at once to R. W. Smith, and get a bottle of "BLOODINE" the guaranteed remedy for Rheumatism they will positively be cured. BLOODINE in large bottles cost 50 cents. In old chronic cases where there is acute pains, "BLOODINE RHEUMATIC LINIMENT" should be used with "BLOODINE."

EQUAL SUFFRAGE A LIVE ISSUE

(Communicated.)

On March 7, the Constitutional Convention, by a vote of 76 to 34, decided to submit the question of woman suffrage to the voters of the state.

The women of Ohio have been working for their enfranchisement since 1850.

Why not settle this question now—and settle it right—by giving votes to women?

In this some people may vote and some may not. Those who may are: White men, black men, red men, drunken men, deaf men, dumb men, blind men, lame men, sick men, rag men, bad men, dead men.

Those who may not are: Minors, idiots, lunatics, convicts, women.

Read what the governor of California, Hon. Hiram W. Johnson, says upon the subject.

"I can not do better than to say that since the adoption of the Equal Suffrage Amendment in the state of California, three important city elections have been held. One of these city elections, that of Los Angeles, was the most exciting and most bitterly contested ever held in this state and it was believed, fraught with the greatest consequences to that community. In these elections, the first test of equal suffrage with us, the women of California acquitted themselves with firmness, courage, ability, and with the very highest intelligence. If these elections are a fair indication of the practical working of equal suffrage, California will never regret the adoption of the amendment."—Newark Suffragist.

All for Nothing—"It always was unlucky," he said with a weary sigh. "What's the matter now, old man?" his friend asked. "I've spent over \$500 on having my boy taught to play the fiddle, and now his hair's all coming out."—Chicago Record-Herald.

Wants are worth reading tonight.

Pass It Along

The new breakfast food—

Post Tavern Special

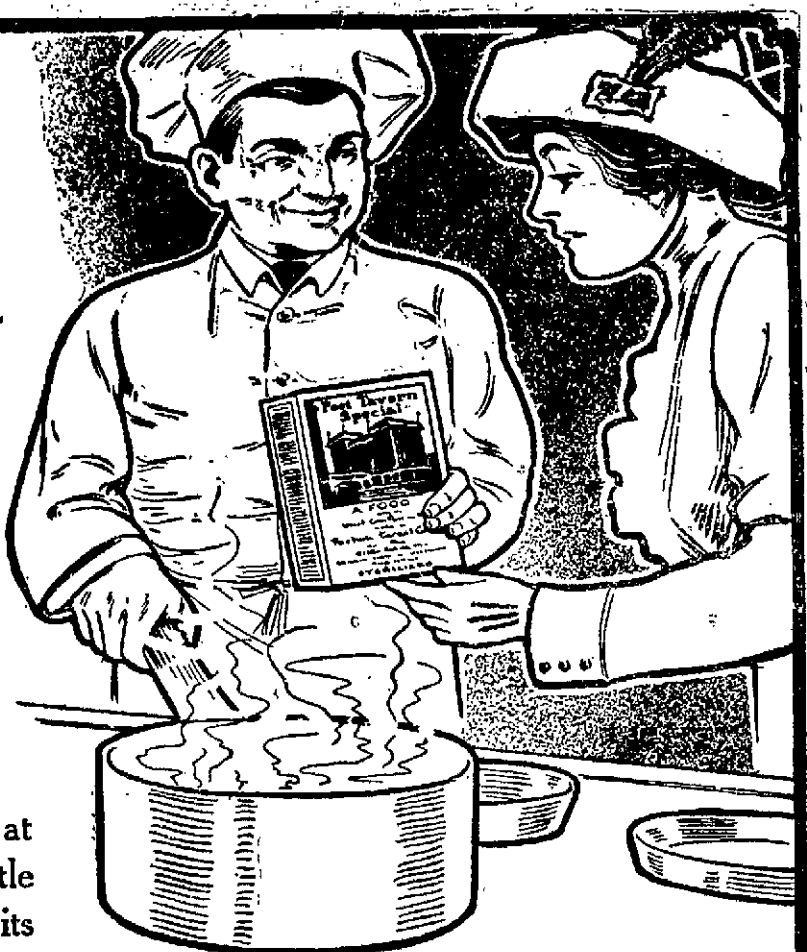

—first served exclusively at the Post Tavern in Battle Creek, a hotel noted for its excellent table, is now supplied for home use.

This food combines the delicate field flavors of wheat, corn and rice, and is easily cooked and served hot as a porridge.

Have some Post Tavern Special for tomorrow's breakfast and you'll probably have it again, and again—

The Try Tells Why

Made by Postum Cereal Co., Ltd., Pure Food Factories, Battle Creek, Mich.

Lawn Mowers

Now is the time to cut your lawn. Our line this year is more complete than ever, giving you 12 different styles machines to select from—including 14-inch, 16-inch, 18-inch and 20-inch blades; three, four and five blades to reel; ball-bearing; brass boxing; screw adjustments; self sharpening—in fact, all up-to-date features.

ASTRONOMICAL EVENTS.

(From noon today to noon tomorrow.)
Sun sets 6:41, rises 5:18. Evening stars: Mars, Saturn. Morning stars: Venus, Jupiter, Mercury. Eclipse of the sun tomorrow morning, visible east of a line drawn from Pensacola, Fla., through Memphis, Sioux City, Pembina, N. D., to Winnipeg.

HEALTH HINT FOR TODAY.

Wall Paper and Health.
In his new book, "Domestic Hygiene," Dr. D. H. Bergy has some interesting things to say about wall paper. "The hygienic influence of wall coverings," he remarks, "is frequently neglected. It is usually the custom to cover the walls with wall paper, and when this becomes soiled another layer is placed over it. This process is often continued until the weight of the paper on the wall is so great as to become detached en masse. The practice of repapering without previous removal of the old soiled paper cannot be commended too strenuously. In this manner the fifth accumulated through months and years of constant occupation is merely covered over and may give rise to serious illness in the occupants and is especially likely to retain the germs of disease in the house if efficient disinfection is not practiced. When repapering is necessary the soiled paper should always be removed and the walls scrubbed with some efficient antiseptic solution, such as chloride of lime, before a new coat of paper is applied."

Just at the present time the water wagon isn't very popular in the Mississippi Valley.

Dink—"Do you think there are as many lovesick young men as there used to be?"
Gink—"Sure. They are still putting up candy at two dollars a pound."

Hood's Sarsaparilla

Leads all other medicines in the cure of all spring ailments, humors, loss of appetite, that tired feeling, paleness and nervousness. Take it.
Get it today in liquid form or tablets called Sarsatabs. 100 Doses \$1.

ANNOUNCEMENT OF CANDIDATES

The Advocate makes no exception to the established rule requiring advance payment for each political announcement in this column. Requests by telephone or otherwise to include names in this list can not be granted. It is unfair to make any exception. The names will appear from day to day in rotation, when there is more than one candidate for each office. The Advocate takes no part in the primary election and treats all candidates alike, reserving, however, the right to give its support only to nominees who are worthy of support.

The Democratic primary election will be held under the provisions of the law on Tuesday, the 21st day of May, 1912. The following candidates are announced for nomination for the respective offices, subject to the decision of the Democracy at said primary:

For Congress
WILLIAM A. ASHBROOK

Representative
W. D. FULTON, (2d Term)

For Probate Judge.

B. G. SMYTHE
ROBBINS HUNTER, (2d Term)

Prosecuting Attorney
J. HOWARD JONES.

For Commissioner

(Three to be Nominated)

LEO. T. DAVIS

For County Auditor

F. T. MERGER

JESSE W. HURSEY

County Treasurer.

J. W. RUTLEDGE, (2d Term)

For Surveyor

FRED S. CULLY

HOW TO PLANT SHADE TREES NEXT FRIDAY

The best kind to plant: Silver maple, also known as hard maple; only objection, rather brittle limbs. Objections to other kinds: Red maple, parts soon die. Sugar, hard, and Norway maple, slow growth, low head, foliage too dense—grass will not grow under it. Catalpa—storms break limbs—scraggy appearance in winter, may die after a few years. Poplar—poorest, cheap, shoddy tree; dies early, hurls sale of property, spoils street, sends roots into everything, leaves fall all summer, flying seed a nuisance.

Planting—Unless you know how ask Board of Trade for printed instructions.

Trimming—Cut top off when planting but never after that. Trim from below, not from the top, so that sunshine may make the grass grow beneath. On Court House park, along Granville street, on parts of North Fourth and Hudson avenue, it is 40 to 60 feet up to the leaves and the tops have never been cut out, while the trees on Maple avenue, and many other streets have

been greatly damaged by cutting tops out.

Where to plant: Between the sidewalk and curbing. Telephone wires will soon all be in alleys. A small lawn is spoiled by planting trees in it.

Number to plant: Two trees are enough on a 45 to 50 foot lot if your neighbors plant trees. Some streets should have half the trees removed.

COVERED WITH ANGRY PIMPLES

A SKIN TROUBLE THAT NEEDS SCIENTIFIC TREATMENT.

Try This Remedy at Our Risk.

Instead of bothering with cosmetics and worthless "beauty formulas" if you will treat that case of pimples scientifically you will get results.

We advise using our new skin remedy, Saxon Salve, which is very soothing, yet penetrates the skin and exerts its healing power from the very moment of application.

Any pure soap may be used with this remedy—just apply Saxon Salve at night, following directions. Not only does it clear the face of pimples, but eczema and other angry itching, scaly or crusty eruptions soon yield to its healing power.

The marked and conditional improvement noticed shortly after the treatment is begun will soon convince you that Saxon Salve is far superior to any other remedy for the skin.

If you do not get good results from it we pay back your money. Frank D. Hill, Druggist, Newark, O.

CAUGHT.

Wife—"Did you post that letter I gave you?"

Hubby—"Yes, dear, I carried it in my hand so I couldn't forget it, and I dropped it in the first mail-box. I remember because—"

Wife—"Then, dear, that will do. I didn't give you any letter to post."

—Topeka Capital.

Hearsay—"Did you hear the new opera in New York?" "Yes." "It was sung in English, wasn't it?" "I was told so."

STOPS SCALY ITCH

Dandruff and Every Form of Scalp Disease Quickly Cured by Zemo

It is simply wonderful how Zemo goes after dandruff. You rub a little of it in with tips of the fingers. It gets right down into the glands, stimulates them, stops the itch, and makes the head feel fine. No, it isn't sticky! Zemo is a fine, clear, vanishing liquid. You don't have to even wash your hands after using Zemo. And what a wonder it is for eczema, rash, pimples and all skin afflictions. A 25c trial bottle at Evans' Drug Store is guaranteed to stop any skin irritation.

Zemo is prepared by E. W. Rose Medicine Co., St. Louis, Mo., and is regularly sold by druggists at \$1 a bottle. But to prove what it will do at trifling expense. Zemo is now put up in 25 cent trial bottles.

You won't find an ax in a chop house, although you often need it. The man who is financially embarrassed is very naturally shy of money.

Mrs. Doyle—"How long has she been a widow?" Mr. Doyle, absent—"I don't know, m' dear. Hasn't it been since her husband died?"

The New "Play"—"Really," said Mrs. Pozozzie to her husband, "we must go and see Sothern and Marlowe next week in 'Repertoire.' I've heard so much about that play, and I have never seen it."—Kansas City Star.

HEED THE WARNING!

Backache is the Signal That Kidney Diseases are Nigh.

Who doesn't dread the advanced stages of kidney trouble—Bright's disease, gravel and gravel?

But today, throughout America, there are tens of thousands suffering the torments of hopeless agony just because they failed to heed the first signal, the certain warning of future misery—backache.

Backache means that your kidneys are weak.

Stop kidney disease at the start, that's the easiest way, and Thompson's Barosma, is the surest remedy. Brannan & Son sell it, and are willing to guarantee it to stop backache and sharp shooting pains, and any and all kidney, liver and bladder trouble, or money back.

It is a great maker of pure blood, and a builder of flesh, because it promptly cleans the kidneys and puts them in such perfect condition that the impurities are thoroughly strained from the blood as it passes through, and are promptly eliminated with the urine. Thompson's Barosma is only 50 cents and \$1.00 a bottle.

THE ROOSTER.

I wonder why the rooster throws such fervor in his tooting? At dawn he breaks up my repose and sends sleep calihooting. I lie and listen to his noise, and wonder, while I'm waiting, what sort of weird ecstatic joys the rooster's celebrating. To me his humble journey seems not worth a prune or prism; what hope inspires him as he screams? Why all his optimism? Oh, I can understand a dog that howls his hideous dirges through all the midnight murk and fog; like me, he sees so much of ill and wrong, so much of woe and sorrow, he must uplift his growled song, and hope he'll die tomorrow. I sympathize with those who howl, with all things sad and brooding, the dog, the raven and the owl, penned in a world deluding. But ah, I cannot understand the rooster's joyous carol, an anthem in a sombre land that has grief by the barrel! He lives in dark and gloomy pens, where biddy clucks and hatches; his life is spent with silly hens for whom he digs and scratches. To earn his harem's daily bread he's busy as a weaver; and then at last his head is whacked off with a cleaver. The rooster should a cavern seek, a hermit life pursuing; why give a loud, triumphant shriek when there is nothing doing?

THE HUMAN PROCESSION

By O. Terrence.

Wilbur Wright, 45 Today—A "Crazy Crank" Who Made Good.

Well, you can't blame them. We ourselves would have thought them a "bit cracked," if we had thought anything about them, which we didn't. We all knew it was impossible and the dream of a crazy man, to be compared only with the perpetual motion delusion or the alchemist's scheme for making gold from the baser metals. You know very well that what you said, although you will probably deny it.

What's this all about? Och, sure I forgot to tell you. Today is the forty-fifth birthday of Wilbur Wright of the famous Wright brothers, and I was merely reflecting that one can't find fault with the people of Dayton, Ohio, for thinking that "old Bishop Wright's boys" had a screw loose in their heads when they flying machines. Hadn't all the wise editors declared that heavier than air craft were impossible of achievement? And if one is not to believe the wise editors who shall one believe? So, when the Wright boys began their tinkering, Dayton folks laughed in their sleeves, and some times openly with their mouths and tapped their foreheads in a significant manner.

Even the inventors and rejected Trowbridge's "Darius Green," "The birds can fly, an' why can't I?" Wilbur, who is forty-five today, is the older of the brothers, and was born near Millville, Ind., while Orville, who will be forty-one in August, is a native of Dayton. Their father, the Rev. Milton Wright, was long a bishop in the United Brethren Church. Both brothers were educated in the Dayton high school. The bicycle "bug" was then working over

time, and the Wrights through owning "wheels," became experts in repairing. Naturally of a mechanical turn of mind, they decided that a repair shop would afford interesting as well as profitable labor. Their first place of business was a mere shanty. Their initial invention was a glider, constructed along the principles of a kite, and it was while testing this machine at Kitty Hawk, N. C., in 1903, that they hit upon the plan of building a similar contraption with a motor and attempting the conquest of the air. When they returned to Dayton they began work in earnest on this idea, and the result was the Wright aeroplane.

Although the Wrights were the first to perfect a heavier than air machine and make it fly, other men in various parts of the world were engaged at the same time in similar experiments. One of these was Hugo Hattulath, of New York, who on Jan. 8, 1900, filed an application for a specifications including a wing-tip flexing device. Although Hattulath is now dead, his patent is said to threaten the validity of the Wright patents. This month the Court of Appeals of the District of Columbia reversed the action of the United States Commissioner of Patents and authorized the re-instatement of the Hattulath patent.

Both of the Wright brothers are modest, unassuming, democratic Americans, and the honors heaped upon them by the people and governments of the United States and other nations have not gone to their heads. In fact they wear the same size hats as in the old days when they were "crazy cranks" and the objects of the good natured ridicule of their Dayton neighbors.

Joseph M. Choate.

Former ambassador to the court of St. James, Joseph Choate, was unable to attend the reception given President Taft in New York because of trouble with his eyes. It was reported that an operation was necessary and much uneasiness was felt for his recovery. The trouble came because of constant reading and overwork. Ambassador Choate has for many years been in the public eye, both as a great jurist and as a diplomat of international fame.

Not Quite Clear—"I can understand spread-eagle tactics, but here's something I can't understand." "What's that?" "Why should a congressman arguing for an appropriation to dredge a creek speak bitterly about the crowned heads of Europe?"—Los Angeles Express.

NOTICE OF APPOINTMENT.

Estate of John W. Dodson, Deceased.
William E. Holmes has been duly appointed and qualified as administrator de bonis non of the estate of John W. Dodson, late of Licking County, Ohio. Dated this 13th day of April, 1912.
ROBBINS HUNTER, Probate Judge.

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Bilioousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its outside wrapper the Signature

Dr. Pierce's Signature

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit.
Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

There Are Two Good Reason Why We Should Have Your Business.

FIRST—Our association is not established for profit but for the mutual benefit of its members. Its earnings after actual expenses are paid are divided pro-rata among its members.

SECOND—We protect our members savings by only loaning money on real estate after the property has been inspected by three members of our board of directors and has been approved by the Board. As a further precaution after the property has been appraised at its actual valuation only two-thirds of the amount is loaned to take care of any possible shrinkage.

The Citizens Building & Loan Association
No. 31 South Third Street Established 1880

ROBBINS HUNTER, Probate Judge.

Almost a Miracle.

One of the most startling changes ever seen in any man, according to W. B. Hollislaw, Clarendon, Tex., was effected years ago in his brother. "He had such a dreadful cough," he writes, "that all our family thought he was going into consumption, but he began to use Dr. King's New Discovery and was completely cured by ten bottles. Now he is sound and well and weighs 215 pounds. For many years our family has used this wonderful remedy for coughs and colds with excellent results." It's quick, safe, reliable and guaranteed. Price 50 cents and \$1.00. Trial bottle free at F. D. Hall's.

SOCIETY

A number of young men entertained with a dance at the private dancing hall in the Arcade on Monday. The event was planned as a return courtesy to a Leap year dance given March 17. The hall orchestra furnished a delightful program and the hall was prettily decorated. Punch was served during the evening.

Among the dancers were: Misses Margaret Dwyer, Edith Kureth, Edna Streit, Mary K. Kureth, Florence Long, Nan Dwyer, Claire Kureth, Mame Dolan, Gladys Curran, Olive Kent, Rose Gainer, Bessie Severan, Grace Egan, Marie Gilbert, Marie Schaugnessy, Katherine Schaugnessy, Mary Stare, Veronica Stare, Mary Balzer, Minnie Stough, Josephine Egan, Marie Donahue, Catherine Sullivan, Julia McCarthy, Mary Kennedy, Mary Moran, Leona Egan, Anna Murphy, Emma Deibold, Agnes Kinney, Catherine Kinney, Marjory Fisher, Marie Martin, Mary Kureth, Christine Young, Loreta Dolan, Messrs. HEART AND HOME TALKS

BY BARBARA BOYD

Earning Money at Home.

FROM almost the beginning of time it seems as if the raising of flowers has been women's work. And to suggest that a woman earn money by raising flowers is no new thought.

But there may be new ways of putting the idea into execution. And since the "City Beautiful" has become the slogan in so many places, this movement may provide a way, that she has not thought of, for a woman to earn money.

For it is acknowledged that one of the ways to make a city or town beautiful is to place window-boxes at the windows of all the homes. Scores of things must be put into operation to make a city beautiful. But window-boxes are by no means the least. Those who are familiar with towns abroad know the beauty that is given to the most ordinary streets by the window-boxes everywhere with their masses of green and bloom. And if we cannot get the parks we want, or the hideous advertising boardings taken down, we can make the front of our homes beauty-spots for the eye to rest upon.

And here is a field for the woman to work in who loves flowers. She can take orders for these window-boxes, make them if she knows how to, plant them, look after them until the flowers are well started,—in a word, until her work is satisfactory. For the chief aim of all work is to make it satisfactory.

The boxes themselves should be made to harmonize as much as possible with the style of the house. That is, if the house is shingle, the boxes could be shingled. And if they can be brought into harmony in no other way, they can be in the matter of paint, for they can be painted the same as the woodwork of the house. If the house has a porch, boxes for the porch can also be made. And it may be that further work will develop in the way of planning pretty flower effects for the yard, and possibly planting and caring for them.

In seeking such work, a woman should not go to those houses where a florist would be likely to be called in. But she should rather seek the modest, unpretentious home, where the work of a florist would perhaps be beyond the family means, but where there is sufficient income to spare a moderate amount for beautifying. A professional naturally has to charge more than one who has no business office and equipment to keep up. And she is not trespassing on his ground, for her customers would not patronize him anyway, because they would not be able to afford his services.

Many business men are now beautifying their offices and stores with window-boxes. And she might get orders in these places, if she called the matter to the attention of the proprietor, and her charge was moderate. Often business men would not bother themselves to seek out a florist and order certain things. But if somebody put the matter all out and dried, before them, and offered to put the work through without any trouble to them for a reasonable charge, they might be very glad to have it done.

And such work, if it is done to the satisfaction of customers, always branches out. One thing leads to another. A customer wants this done. Or she tells a friend of what is being done, and this friend wonders if she can get so and so done for her. And thus the work grows. Years ago a girl who loved flowers, and who was suddenly thrown on her own resources, raised plants and sold them to her friends. Her plants were always so healthy and such fine bloomers that people began to ask her for seeds. And now she has a large flower-seed business. So one can never foresee just how a small effort may work out. The main thing to do is to give satisfaction from the start, and then the rest will follow.

Barbara Boyd.

aldson, Linwood Pettit, Joseph Fisher, Ray Montee, Harry Ellensberg, Elmo Mackey and Fred Allison. The party was chaperoned by Mr. and Mrs. Carl Donahue and Mr. and Mrs. Clarence Egan.

Mrs. George Jones will be hostess to the members of the Wednesday Afternoon Euchre club tomorrow at her home 48 Arch street.

Mr. Edwin Besuden and daughter, Miss Annette, left Tuesday noon for Cincinnati to attend the marriage of Miss Hermina Feuser, which will occur in that city on Wednesday. Miss Feuser is the niece of Mr. Besuden.

LANNING—HARDING.

On Saturday afternoon at 3 o'clock Rev. T. A. Cosgrove solemnized the marriage of Mr. A. Earl Lanning and Miss Corday W. Harding at the manse of the Second Presbyterian church. The young people were unaccompanied and will go to housekeeping in this city. The groom is a well known decorator while his bride formerly resided in Cleveland.

BOLLWINE—BEERY.

At the First M. E. church parsonage Monday evening about six o'clock Rev. L. C. Sparks performed the ceremony which united in holy wedlock Mr. Arthur Effinger Bollwine of this city and Miss Pearl Beery of Ashville, O. The beautiful ring service was used.

Besides Rev. and Mrs. Sparks there was present the father of the groom, Mr. Bradford Bollwine. The bride is the beautiful and accomplished daughter of Mr. and Mrs. John Beery of Ashville, while the groom has lived all his life in Newark, where he holds a responsible position in the clerical department of the Ohio Electric Railway company.

After the 17th inst., Mr. and Mrs. Bollwine will be at home to their friends at 47 Clinton street.

SCHNEIDER—MCABE.

A very pretty wedding was solemnized at St. Francis de Sales church on Tuesday morning at 8 o'clock when Miss Katherine McCabe, a niece of Mr. James McGonagle, became the bride of Philip Schneider.

The nuptial high mass was celebrated by Rev. Father McGonagle of Somerset, Kentucky, an uncle of the bride, and the bride was attended by her sister, Miss Blanch McCabe of Moxahala, O., who acted as bridesmaid. The bride wore a charming gown of white net, over white satin. She carried a shower bouquet and wore a large picture hat of white. The bridesmaid was gowned in pink messaline and carried pink flowers. The groom was attended by Theodore Regent.

Following the ceremony a wedding breakfast was served to the immediate family at the home of Mr. and Mrs. James McGonagle in West Main street. Mr. and Mrs. Schneider left at noon for a trip to Cleveland and on their return will reside in North Newark. The groom is employed as a railway brakeman.

Laundried—"All new arrivals are washed, explained the warden of the prison. "And if they make a fuss?" "Then they are ironed,"—Sacred Heart Review.

In the Swim—He—"I see there's a chance for the imposition of an income tax. Good thing, too." She—"Yes, George. And you must pay as big a tax as you can, dear, just to keep up appearances."—Cleveland Plain Dealer.

Up and Down? Go To Your Doctor
Ayer's Sarsaparilla is a tonic. It does not stimulate. It does not make you feel better one day, then as bad as ever the next. There is not a drop of alcohol in it. You have the steady, even gain that comes from a strong tonic. Ask your doctor all about this. Trust him fully, and always do as he says.

Daddy's Bedtime Story

The Owl That Stayed Out Too Late

Owls and their ways always interested Jack and Evelyn. A pair had nested near the house, and the children were hoping they might be able to make friends with the young ones. "You would better let them alone," daddy advised. "Mrs. Owl may not like your coming about the nest, and, while owls are generally peaceable birds, you can't tell what a frightened mother owl may do if she thinks you are likely to harm her babies. "The younger owls are not so wise as their parents. They like to see the world and at night sometimes, when they have learned to fly, wander far from home. When morning comes they crawl into some dark corner to sleep instead of flying back to their own hollow tree. "Not long ago a young owl who lives in Van Cortlandt park, in the upper part of New York city, was on his way home at an early hour in the morning when he saw what looked like a nice dark cave in a bank. "There is a place for me to crawl into and go to sleep," no doubt young Mr. Owl said to himself. "You see, he was still a long way from home, a trifle tired after his night's outing, and it was rapidly growing daylight. Owls, you know, cannot see to fly about in the daylight. "Perhaps, too, he may have seen a mouse or spider or lizard dart into the cave, and this would be enough to tempt any owl to follow it. "So in he went. The cave seemed very long. Here and there he came upon lizards. "Suddenly he heard a noise like thunder behind him. The owl darted to the nearby platform and tried to cling to the wall, but it had a smooth, shiny surface like china, and so he grabbed a wire and clung there while a train went rushing by. "After that he was so scared that he allowed the man from the ticket office to take him down and carry him into his booth. "The owl had flown into the tunnel where the New York subway railroad meets outdoors. The children on their way to school were greatly pleased with the owl. Indeed, they crowded around the ticket seller's window so that he could hardly sell folks their tickets for the trains. "You see what comes of staying out too late," some grownup said wisely to the children. "Hoot, hoot!" agreed the owl. "When the ticket seller went home that evening he took the owl outdoors and let him go. You may be sure that owl will be careful how he ventures into strange places again."

Quarter Century Ago.
(From Advocate, April 16, 1887.)
Mr. Frank P. Connel was appointed administrator by the family on the estate of Mrs. Mary Connel. Bond, \$14,000.
Mr. Jacob Ball, an old citizen, who has been in the employ of Ball & Ward, in the carriage business, died yesterday at 3 o'clock.
Today at the residence of Mr. Ellis Jones, North Fifth street, by the Rev. E. I. Jones, Mr. William F. Shanks of Springfield, O., was married to Miss Cora Seiser of this city.
Mr. George H. Mains, a compositor in the Advocate office, left today for a visit at Somerset, O.

Fifty Years Ago Today.
April 16.
Lincoln signed the District of Columbia emancipation law, declaring, "I am gratified with the two principles of compensation and colonization recognized in the act." President Jefferson Davis signed the Confederate conscription law.
Twenty-five Years Ago Today.
A balloon propelled by an electric motor was successfully steered against the wind at Metz, Germany. The German government paid 2,000,000 marks (about \$500,000) for the invention.

Newark Monument Co.
The Newark Monument Co. has erected a large granite monument in Green Lawn cemetery, Columbus, O., for Mr. Frosh.
Recovering from Pneumonia.
The three year old son of Mr. and Mrs. Verne Smallwood of Williams street who has been seriously ill with pneumonia is now convalescing.
Woman's Guild.
The first division of the Woman's Guild of the First M. E. church will meet with Mrs. Walter Laird, Wednesday afternoon at 2 o'clock at her home, 29 Clinton street.

Open for Business.
Hupp and Zipperer have opened up the saloon formerly owned by "Jack" Wells at 80 South Second street, and will be pleased to have their many friends give them a call. 16-6t
Condition Improved.
Little Harold Cooper, son of Mr. and Mrs. James Cooper of Buena Vista street, who has been seriously ill with diphtheria is somewhat improved today. The child also had a touch of bronchitis on Sunday.
To Fill Unexpired Term.
Mayor Swartz has appointed George Orr as a member of the board of sinking fund trustees to fill the unexpired term of Hon. William A. Veach who died several weeks ago. Mr. Orr's term will expire in 1915.
Called to Ashland.
Mr. Frank Harvey of Buckingham street, was called to Ashland, Ohio, by the serious illness of his son Ernest, who is suffering from typhoid fever. Word has been received from Mr. Harvey that his son is getting along nicely and that he will return home in a short time.
Five and Costs.
A foreigner giving his name as Jim Pete was arrested last night on a drunk charge. Opposite his name on the arrest record appeared the additional charges of wife desertion and investigation. The latter charges were dropped when the case was heard this morning and Pete was fined \$5 and costs.
Brotherhood Meeting.
The Brotherhood of the Central Church of Christ will meet this evening in the basement of the church at 7:30 o'clock. At this meeting a plan to provide for men while out of employment because of sickness or accident, will be submitted to the committee. It is believed that this plan will be sensible, practical and Christian. All men interested are invited.
Held to Grand Jury.
On an affidavit filed by Elizabeth Feaster, Celia Miller was arraigned before Mayor Swartz this morning charged with using profane, obscene and indecent language towards the defendant. The woman was held to the grand jury under \$25 bond. The case grew out of a neighborhood quarrel involving the children of the prosecuting witness and defendant. A number of witnesses were examined.

Curious Bits of History
HOW KING HENRY IV. FOOLED THE LAWYERS.
By A. W. MACY.
The sixth parliament of Henry IV. of England met at Coventry in 1404. It was called the Unlearned Parliament by some, and the Illiterate Parliament by others; while by others still it was disrespectfully dubbed the Parliament of Dunces. The reason for this was that it contained no lawyers. There had been much complaint that lawyers were in the habit of securing seats in parliament, not for the public good, but to further the interests of their clients and incidentally feather their own nests. Henry himself said that members often spent more time on private suits than on public business. Availing himself of an ordinance passed under Edward III., he stipulated in the writs that no lawyers should be returned. He had the parliament meet in Coventry, so as not to be near the courts. Notwithstanding it contained no lawyers, and although it was called by derisive names as noted, it seems to have been as good as the average, and to have done some sensible things. Strange to say, though obsolete long ago, the ordinance excluding lawyers was not repealed till 1871.

THERE IS A DIFFERENCE
Between Promises and Actual Results.
Promises won't overcome hair trouble. The manufacturers of Newbro's Herpicide promise nothing which is not justified by an intelligent use of this preparation. The desired end ultimately becomes an accomplished fact. This is the reason that Herpicide has thousands of satisfied friends all over the world.
By keeping the scalp clean and healthy and destroying the dandruff germ, Newbro's Herpicide makes beautiful hair. Herpicide prevents the hair from falling and allows it to grow unhindered and naturally except in cases of chronic baldness which is incurable.
One dollar size bottles are guaranteed by all druggists to do these things.
Send 10c in postage for sample and book to The Herpicide Co., Dept. R., Detroit, Mich.
Applications obtained at the best barber shops. W. A. Erman & Son, Special Agents.

Social and Country Store, for the benefit of the Church of the Blessed Sacrament, to be held in the basement Thursday, April 18, afternoon and evening. Cake and ice cream 10 cents. Coffee and sandwiches 10 cents. Prize for every one, at country store only—10 cents. 16d-3t

W. C. T. U. Notice.

CURIOUS BITS OF HISTORY
HOW KING HENRY IV. FOOLED THE LAWYERS.
By A. W. MACY.
The sixth parliament of Henry IV. of England met at Coventry in 1404. It was called the Unlearned Parliament by some, and the Illiterate Parliament by others; while by others still it was disrespectfully dubbed the Parliament of Dunces. The reason for this was that it contained no lawyers. There had been much complaint that lawyers were in the habit of securing seats in parliament, not for the public good, but to further the interests of their clients and incidentally feather their own nests. Henry himself said that members often spent more time on private suits than on public business. Availing himself of an ordinance passed under Edward III., he stipulated in the writs that no lawyers should be returned. He had the parliament meet in Coventry, so as not to be near the courts. Notwithstanding it contained no lawyers, and although it was called by derisive names as noted, it seems to have been as good as the average, and to have done some sensible things. Strange to say, though obsolete long ago, the ordinance excluding lawyers was not repealed till 1871.

CAUSES SICKNESS
Good Health Impossible With a Disordered Stomach
There is nothing that will create sickness or cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.
We urge every one suffering from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Ixall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question if after reasonable use of this medicine they are not satisfied with the results. We recommend them to our customers every day and have yet to hear of any one who has not been benefited by them. Three sizes, 25c., 50c., and \$1.00 a box. Sold in Newark only at our store—
The Rexall Store, Hall's Drug Store, 10 N. Side Square.

The WANT ADS
The usefulness of our classified columns lies in the fact that anybody can use them to advantage. No matter what you want to buy or sell, trade or exchange—no matter what you need, there are results for you in these columns. This way you deal directly with owners and buyers. A trial will convince you of their value. Three lines, three days, 25 cents.

Men's English lasted shoes, the correct ultra stylish shoe of the East, Flat toe, low heel and broad shank. You can't buy better, no matter what the price. For the extra swell dresser only.

\$3.95

Oxfords, in patent leather, gunmetal and tan. We have a big variety of toes and styles for you to choose from. Every shoe we offer is a welted sole and will wear and fit. If your usual speed is a \$4.00 shoe look these specials over.

\$2.95

Men's O. U. Oxfords, the celebrated last that was the whirlwind of the season in the high shoes, Union made and welted soles. If you want style that talks and some thing a little different this shoe will please you.

\$3.45

TALK OF HUGHES AS "DARK HORSE"

Revived by Result of Republican Primaries in Illinois.

PRESENT POSITION NO BARRIER

Although No Justice Has Ever Been Taken From the Supreme Bench and Made President—Champ Clark's Chances For Democratic Nomination Seem Best.

By ARTHUR W. DUNN.

Washington, April 16.—[Special].—It takes very little to upset the equilibrium of one set of politicians and elate another set. As reports of primaries and conventions from different states come to Washington shouts of triumph are heard in the headquarters of the candidate who has won, while the gloom is so thick in the headquarters of others that it can be cut with a knife.

Two states, however, were particularly important, New York going for Taft and Illinois going for Roosevelt. Much political speculation was built upon these results. In the New York case the Taft men declared it was all up with Roosevelt; in the Illinois case the Roosevelt men declared it was all up with Taft.

Hughes as "Dark Horse."

It was surprising how the talk revived and has kept up about the possibility of Justice Charles Evans Hughes, formerly governor of New York, being the real "dark horse" of the contest. "Neither Taft nor Roosevelt can be elected," declared certain Republicans, "and the Republican party is not going to commit political suicide. The convention will name a man who can win." Then will follow the talk about Hughes being the man who could really carry the country. Opponents of the Hughes idea say that no man has ever been taken from the supreme bench and made president. They seem to think that when a man goes on the supreme bench he abandons all relation to politics. Friends of Hughes assert that Hughes did not become politically cloistered when he became a justice of the supreme court.

Remembered the "Allies."

The loss of several states by Taft has not discouraged certain men who were against him four years ago and are for him now. "We had New York, Illinois, Indiana, Pennsylvania and Wisconsin with us and against Taft in 1908, and yet we were defeated," was a remark of one of them. Quite true, but Taft had Roosevelt for him which was a mighty strong factor in the contest—in fact, the real determining factor.

A Mighty Question.

Who will put the senate into executive session each day after the 4th of March next? Upon that day Hon. Shelby M. Cullom will cease his connection with the senate, and that means that another man must be selected for the duty of moving an executive session each day. We all know that Lodge will succeed Cullom as chairman of the committee on foreign relations, but the most important work of the venerable Illinois senator, the moving an executive session, must be determined after careful calculation.

Looks Good to Champ.

There is a feeling pervading the atmosphere that Champ Clark just now stands the best chance of getting away with the Democratic nomination. This is the way the Clark men map it out: Clark and Wilson will be the two leading candidates. There will be many states controlled by conservative men who could vote them for Harmon or Underwood. If any attempt is made to run up a big vote for either of the conservative candidates there is liable to be a break of the progressives for Wilson, especially many delegations now supporting Clark. Wilson might be nominated under such conditions so the conservative men, preferring Clark to Wilson, will send in their votes to Clark at an early period, making his nomination sure early in the convention.

Senate Graveyards.

It is a tossup as to whether the committee on rules or the committee on judiciary is the most capacious graveyard of legislation in the senate. Let any attempt be made to amend the rules in the direction of more speedy legislative action, and the question goes to the committee on rules to sleep forever.

Bills which might make a deal of trouble and cause a great deal of embarrassment if brought before the senate find the judiciary committee a fine graveyard. Such bills as have been argued by the prohibitionists to prevent the shipment of liquors into prohibition territory are the kind that find a permanent resting place in the judiciary committee.

The Ashurst Bow.

From his first appearance in the senate Mr. Ashurst of Arizona became distinguished, a marked man, so to speak, by the bow he makes to each and every senator. It is not so much a graceful bow as one of stately character and profundity. He inclines his whole body forward and bends in the middle and takes plenty of time, which makes the salutation impressive. Even at luncheon he arises from the table to make his bow effective.

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of *Dr. J. C. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is Pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. It destroys Worms and allays Feverishness. It cures Diarrhoea and Wind Colic. It relieves Teething Troubles, cures Constipation and Flatulency. It assimilates the Food, regulates the Stomach and Bowels, giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

A Permanent Cure For Chronic Constipation

Although these may dispute it who have not tried it, yet thousands of others, who speak from personal experience, assert that there is a permanent cure for chronic constipation. Some testify that they were cured for as little as fifty cents. Years ago, and that the trouble never came back on them, while others admit they took several bottles before a steady cure was brought about. The remedy referred to is Dr. Caldwell's Syrup Pepsin. It has been on the market for over a quarter of a century and has been popularized on its merits, by one person telling another. The fact that its strongest supporters are women and elderly people—the ones most persistently constipated—makes it certain that the claims regarding it as a permanent cure for constipation have not been exaggerated. It is not violent like cathartic pills, salts or waters, but operates gently,

without griping and without shock to the system. It contains tonic properties that strengthen the stomach and bowel muscles so that in time medicines of all kinds can be dispensed with and nature is again solely relied on. Among the legions who testify to these facts are Mr. Z. L. Smith, Steubenville, Ohio, and Mrs. Gen'l W. T. Wilson, 1236 Wesley Ave., Columbus, Ohio, and they always have a bottle of it in the house, for it is a reliable laxative for all the family from infancy to old age. Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or a dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 405 Washington St., Monticello, Ill. Your name and address on a postal card will do.

CHAIRMAN OF CITIZENS HOSPITAL COMMITTEE

CAPT. A. H. HEISEY.

President Newark Trust Company and glass manufacturer, who has accepted chairmanship of the Citizens Committee for the proposed new city hospital. An effort will be made soon to raise \$50,000 within a week for the purpose of building a modern hospital. Mr. and Mrs. E. H. Everett give their property, corner of Buena Vista and Indiana streets on condition that a \$50,000 building fund is raised and they promise in addition a handsome cash subscription to the hospital fund.

LICKING

Dr. Newton and family left last Saturday for Columbus from which place they will leave next week for Gallipolis their future home.

Mr. Howard Ford took charge of the Sunday school last Sunday in the absence of Mr. Sanford Buckland, who is sick.

Miss Winnie Sutton, a professional nurse of Columbus is spending a few days at the home of her aunt, Mrs. Sanford Buckland.

Mrs. James Black has been having a severe attack of stomach trouble. She is some better at this writing.

The many friends of Mr. John Hand formerly of this place, now of Newark, will be sorry to know he is seriously sick at his home on Dewey avenue.

Mrs. E. R. and Mrs. J. R. Black spent a couple of days in Granville last week with relatives.

Miss Mary Ruffner is a victim of a severe cold.

Miss Clara Rees of Hebron spent last Thursday afternoon at the home of Mrs. Gertrude Swartz, near this place.

Mrs. Otto Thorp spent last Friday at the home of her parents, Mr. and Mrs. T. P. Jones.

Miss Lizzie Jones, sister of Mr. T. P. Jones, who has been suffering from the grip the past few weeks, is in Shepard's Sanatorium taking treatment. We hope for a speedy recovery.

Frank Dixon and family visited Zane Stout and family Sunday.

Mr. W. Woodbury passed through Lake Ford Wednesday, on his way to Utica.

SEVEN YEARS OF MISERY

How Mrs. Bethune was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Sikeston, Mo. — "For seven years I suffered everything. I was in bed for four or five days at a time every month, and so weak I could hardly walk. I had cramps, backache and headache, and was so nervous and weak that I dreaded to see anyone or have anyone move in the room. The doctors gave me medicine to ease me at those times, and said that I ought to have an operation. I would not listen to that, and when a friend of my husband's told him about Lydia E. Pinkham's Vegetable Compound and what it had done for his wife, I was willing to take it. Now I look the picture of health and feel like it, too. I can do all my own housework, work in the garden and entertain company and enjoy them, and can walk as far as any ordinary woman, any day in the week. I wish I could talk to every suffering woman and girl, and tell them what Lydia E. Pinkham's Vegetable Compound has done for me."—Mrs. DEMA BETHUNE, Sikeston, Mo.

Remember, the remedy which did this was Lydia E. Pinkham's Vegetable Compound.

It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration, after all other means have failed. Why don't you try it?

It Looks Like a Crime To separate a boy from a box of Bucklen's Arnica Salves. His pimples, boils, scratches, knocks sprains and bruises demand it, and its quick relief for burns, scalds, or cuts is his right. Keep it handy for boys, also girls. Heals everything healable and does it quick. Unequaled for piles. Only 25 cents at F. D. Hall's.

Opportunity comes but once, but Trouble plays a continuous performance.

MUCH INTEREST IS MANIFESTED IN ARBOR DAY

A PUBLIC PROGRAM AT THE HIGH SCHOOL NEXT FRIDAY AFTERNOON.

Use Care and Intelligence in Planting—Here Are a Few Suggestions.

This week every boy and girl and perhaps ninety per cent of the citizens of Newark have had attention called to the further beautifying of our already beautiful city. Many articles have appeared in the local papers as suggestive of ways and means. Hundreds of trees, and thousands of packages of flower and vegetable seeds will be planted this and the following week. A public program will be rendered in the Auditorium of the High School on Friday afternoon. The Board of Trade has taken a keen interest in all these movements, and the teachers and children of the city have made a noble response. All these movements are to be commended. All are educative in the real sense of education. Children must have it well instilled into their very beings that they owe a large return to the community that provides so generously for them.

In all this planting care and intelligence must be used or the results will not be what we expect. Along this line the following suggestions are given:

(1) The day should be a murky cloudy one upon which trees are transplanted, rather than a bright sunny one, otherwise plant late in the afternoon or early evening.

(2) Trees planted along streets, should be compact and symmetrical in shape, and trees that bud early in the spring, and retain leaves late into the fall. Great care should be exercised to avoid trees that give off bad odors, or that may be easily affected by insect pests, or whose roots may penetrate into sewers, etc.

(3) Trees native to the region are more apt to succeed than trees shipped from other sections of the country.

(4) Trees not exceeding two inches in diameter are far more likely to grow than larger trees although any tree may be transplanted with great care.

(5) The roots are the life of the tree and need most attention. In taking up a tree for transplanting, the greatest care must be exercised, to secure as many of the small fibrous roots as possible. Never allow the roots to become dry from the time of taking up the tree until it is transplanted. They should be covered with moist earth.

(6) Holes for receiving the roots should be deeper than the root system and at least twice as great in diameter. Many trees never grow because the hole is too shallow and too small. Keep stones away from the roots. Place the richer soil that is taken from the hole in the hole, so that the roots may have this soil. In planting the tree place that side which will probably have the richest foliage to the south or southwest, this will protect the shaft of the tree from the hot sun.

(7) Two persons are necessary to do a good job of tree planting, one to hold the tree in proper position the other to place it in the soil, etc., and to tread it down firmly.

(8) The practice of watering trees while planting is not a good one, unless the water is applied after the soil is well filled in and packed around the fibrous roots. More trees are killed by too much water while planting than by too little. Water should be applied during the hot season in the late afternoon or evening.

(9) After planting the tree, place hay, straw, saw-dust, or even stones about its foot, to check evaporation. Keep the ground free from weeds, grass, and occasionally hoe or rake it. A stake is necessary to keep the tree from swaying, but a loose post is worse than none at all, better than either a tree box or crate.

Board of Trade Arbor Day Committee.

ALMOST FRANTIC WITH ECZEMA ON HANDS

Began with Itching. Spread Fast. Fingers Fairly Bled. Cried Night and Day. Tried Cuticura Soap and Ointment and Was Entirely Cured.

"Eight years ago I got eczema all over my hands. My fingers fairly bled and it itched until I almost drove me frantic. The eruption began with itching under the skin. It spread fast from between the fingers around the nails and all over the whole hands. I got a pair of rubber gloves in order to wash dishes. Then it spread all over the left side of my chest. A fine doctor treated the trouble two weeks, but did me no good. Then I decided to try Cuticura Soap and Ointment, but without much hope as I had gone long. There was a marked change the second day, and I was cured in ten days. I have always kept in our home, and we decided to keep a box of Cuticura Soap and Ointment. I always recommend Cuticura, and nine times out of ten the next time I see the mother she says 'Oh I just told me of Cuticura.'"

(Signed) Mrs. G. A. Sully, Redondo Beach, Cal., Jan. 15, 1911.

Cuticura Soap and Ointment are for sale throughout the world, but to those who have suffered much, lost hope and are without faith in any treatment, here is a sample of each together with 32-p. booklet on the care and treatment of the skin and scalp will be mailed free, on application. Address: Post-ter Drug & Chem. Corp., Dept. 244, Boston.

DON'T SCOLD AN IRRITABLE CHILD

If Tongue is Coated, Stomach Sour, Breath Fervid Give "Syrup of Figs to Clean the Bowels."

Your child isn't naturally cross, irritable and peevish, Mother! Examine the tongue; if coated, it means the little ones' stomach is disordered. Liver inactive and its thirty feet of bowels clogged with foul, decaying waste.

Every mother realizes after giving delicious "Syrup of Figs" that this is the ideal laxative and physic for children. Nothing else regulates the little one's tender stomach, liver, and bowels so effectively, besides they dearly love its delightful fig taste.

For constipated bowels, sluggish liver, biliousness, or sour, disordered stomach, feverishness, diarrhoea, sore throat, bad breath, or to break a cold, give one-half to a teaspoonful of "Syrup of Figs" and in a few hours all the clogged up waste, sour bile, undigested food and constipated matter will gently move on and out of the system without griping or nausea, and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful. Full directions for children of all ages and for grown ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious, genuine old reliable. Refuse anything else offered.

Leonard C. Mason of Burlington township is a candidate for the nomination of Commissioner, subject to the Democratic primaries May 21, 1912.

Mr. Mason has been a resident of Burlington township for the past thirty years and comes from a family of Democrats, noted for their support of the principles of that grand old party.

Mr. Mason is one of the progressive young men of the county and is engaged in farming. At present he is serving in the township as a trustee, having been elected to his second term, and he has given entire satisfaction to the tax payers whom he represents.

Mr. Mason is qualified in every way for the office of commissioner and if nominated and elected he promises to give the same careful attention to the duties of the office that he does to his private interests. He solicits your vote and favorable consideration on primary day.

CHARGED WITH THEFT OF BANK ROLL OF \$181.53

Charged with stealing \$181.53 in cash, a gold watch and chain and two gold bracelets which were contained in a leather purse, all the property of Tony Turbiano, Grace and Jennie Reynolds were arrested last night by the police officers and lodged at the city prison charged with grand larceny.

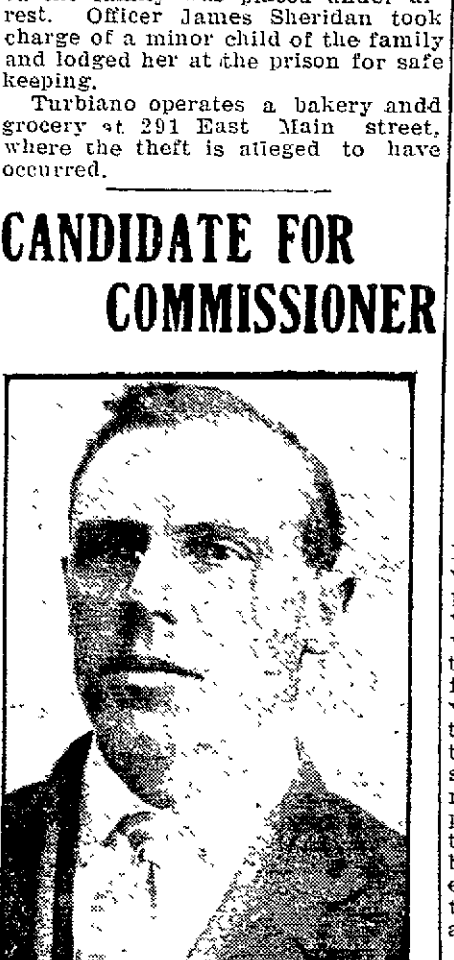

When arrested, the police recovered the purse, the two bracelets and the watch and chain and \$57.62 in money. In police court Tuesday morning both the defendants were held to the grand jury. Grace Reynolds' bond was fixed at \$500 and Jennie Reynolds was held under \$200 bonds.

According to the story related to the police, the purse was left by Turbiano on a shelf in his bakery. He alleges that the Reynolds women came to his place and took the purse and its contents, and he missed it after she left.

He reported the case to the police and in the investigation that followed the family was placed under arrest. Officer James Sheridan took charge of a minor child of the family and lodged her at the prison for safe keeping.

Turbiano operates a bakery and grocery at 291 East Main street, where the theft is alleged to have occurred.

CANDIDATE FOR COMMISSIONER

LEONARD C. MASON.

Leonard C. Mason of Burlington township is a candidate for the nomination of Commissioner, subject to the Democratic primaries May 21, 1912.

Mr. Mason has been a resident of Burlington township for the past thirty years and comes from a family of Democrats, noted for their support of the principles of that grand old party.

Mr. Mason is one of the progressive young men of the county and is engaged in farming. At present he is serving in the township as a trustee, having been elected to his second term, and he has given entire satisfaction to the tax payers whom he represents.

Mr. Mason is qualified in every way for the office of commissioner and if nominated and elected he promises to give the same careful attention to the duties of the office that he does to his private interests. He solicits your vote and favorable consideration on primary day.

OBITUARY

JOHN JONES HAND John Jones Hand, aged 57 years, died at his home on Dewey avenue, at 9:45 o'clock Monday night after a long illness. Mr. Hand was a retired farmer. He leaves a wife and seven children, all except one of whom live in this city. He is also survived by two brothers and two sisters. The funeral services will be held at the home Thursday afternoon at 2:30 o'clock and burial will be made in Cedar Hill cemetery.

NELLIE GRACE HUGHES. Nellie Grace Hughes was born in Licking county, O., March 8, 1883, and died April 13, 1912, aged 29 years, 1 month and 5 days. She was united in marriage with Edward Hughes, February 14, 1903. To this union were born two children, Hazel and Frank. She leaves to mourn a husband, two children, father, one sister and four brothers. The mother, one sister and two brothers preceded her to the tomb.

She was a loving wife and mother and will be sadly missed by a large circle of friends.

The funeral was held at the late home at 10:30 a. m. The services were held under the auspices of the Newark branch of International Bible Students' association, and presided over by the elders. The basis of the remarks were taken from 1 Cor. 15:22, "For as in Adam all die, even so in Christ shall all be made alive." The theme of the talk was the resurrection of the dead, why and how this mankind's only hope of future life.

Yes, they sleep, but not forever. In the love and silent grave, Blessed promise! they shall awaken; Jesus died the lost to save.

In the hush of the morning, When the winds in beauty bloom, We'll rejoice to see once more, Many sleep, but not forever. There will be a glorious dawn; We shall meet to part, no, never, On the resurrection morn.

COURT NEWS

Divorce Hearing.

The matter of Edward Houpt vs. Bessie Houpt a divorce proceeding was heard before Judge Hunter in probate court today. The case involves a petition filed by Mr. Houpt which was later followed by a sensational cross petition filed by the defendant in the case. A number of witnesses were summoned by both the plaintiff and the defendant. The testimony in the case is extremely spicy and in its development the names of a number of well known people are mentioned, in particular that of a young lady who seems to be much involved in the matter. Joseph Horner is handling the case of the plaintiff, and C. C. Perry is the attorney for the defendant.

Taken to Hospital.

Frances E. Coffman who was adjudged insane was taken to the Columbus State Hospital this morning by Sheriff Sabaugh. Dr. H. B. Anderson and Dr. Carl Dillon were called for expert testimony in the case.

Common Pleas Court.

In the case of Isaac Mazelin vs. Tilden Mazelin, et al., a suit to set aside the will of the late Francis Mazelin who lived near Etta this county, the suit was amicably settled between the parties, and a formal verdict was returned by the jury finding that the paper writing, purporting to be the last will and testament of Francis Mazelin, and admitted to probate on the 22nd of February, 1896, is the valid last will and testament of said Mazelin. In the case of Harry B. Hunt, administrator vs. Ohio Electric Ry. Co. has been assigned for trial to the court and a jury on April 29th. The suit is for damages growing out of the death of Mrs. Hunt, who was killed some time since in this city. The cases heretofore assigned for trial during the week beginning April 22nd have been assigned for trial one week later.

You Couldn't Hire Me to Wear Dress Shields Again!

I Use That Marvel, PERSPI-NO!

Rip out the dress shields from your dress and throw them out! You don't need them any more, absolutely never more! Never again will your gown get

stained, faded, got stiff and soiled because of a big sappy perspiration spot at the arm-pits.

It doesn't matter how light or heavy your clothing, or how stuffy and hot it may be in the theatre, ballroom or concert-hall, PERSPI-NO will keep your arm-pits just as fresh and dry as the back of your hand, just glorious! There'll be no more running of colors in colored gowns, at the arm-pits, no more misery from rolled up dress shields that form aropy web under the arms. PERSPI-NO will do it all. It's a powder, applied with a pad. A pad in each box. It's done in a minute. Never injures or stains the fabric, absolutely safe. Satisfaction guaranteed or money back. PERSPI-NO is for sale at your druggist at 25c a box, or sent direct, on receipt of price, by The Perspo Co., 2715 Lincoln Ave., Chicago. For sale and recommended in Newark by City Drug Store, Evans Drug Store, R. W. Smith.

Puts End to Bad Habit.
Things never look bright to one with "the blues." Ten to one the trouble is a sluggish liver, filling the system with bilious poison, that Dr. King's New Life Pills would expel. Try them. Let the joy of better feelings end "the blues." Best for stomach, liver and kidneys. 25c. F. D. Hall.

MASONIC TEMPLE PROJECT MEETING WITH SUCCESS

The committees of the various Masonic bodies of the city having charge of the campaign for the funds for the building of the Temple report that the work is progressing in a very satisfactory manner, and that great interest is being shown by the members of the fraternity. One of the men in charge of the work stated this morning that the committee had covered much of the ground but that there were a number of men yet to be approached on the subject. Every effort is being made by the men in charge to hasten the raising of the necessary funds and a complete canvass of every member of the fraternity in the city will be completed as soon as possible. While there was no statement of the amount raised to date, it was stated that the responses to the call had been more than encouraging to the members of the committee.

Not His Fault—"I certainly am sincerely indebted to you for winning my case." "By no means, I represented your opponent." "Just so."—Fleegende Blaetter.

Baby's Voice

Every woman's heart responds to the charm and sweetness of a baby's voice, because nature intended her for motherhood. But even the loving nature of a mother shrinks from the ordeal because such a time is usually a period of suffering and danger. Women who use Mother's Friend are saved much discomfort and suffering, and their systems, being thoroughly prepared by this great remedy, are in a healthy condition to meet the time with the least possible suffering and danger. Mother's Friend is recommended only for the relief and comfort of expectant mothers; it is in no sense a remedy for various ills, but its many years of success, and the thousands of endorsements received from women who have used it are a guarantee of the benefit to be derived from its use. This remedy does not accomplish wonders but simply assists nature to perfect its work. Mother's Friend allays nausea, prevents caking of the breasts, and in every way contributes to strong, healthy motherhood. Mother's Friend is sold at drug stores. Write for our free book for expectant mothers.

BRADLEY REGULATOR CO., Atlanta, Ga.

AMUSEMENTS

The Orpheum.

It was an all-star bill which opened at the popular Arcade theatre for the first three days of this week. Dorothy, De Schelle and Co. head the program in an excellent little comedy sketch, entitled "The Getaway." There is not a slow moment in the entire act, but every one is filled with a good hearty laugh. Every member of the company is a clever performer with years of success to speak for them here. Bohee & Hyers, the colored sister team, offered a very classy singing specialty, which gave them a chance to display some excellent work. Both ladies have wonderful voices and certainly know how to use them best. The Meyahio Japanese Sisters introduced a very novel turn in their line. are just tiny tots, but as contortionists their equal has never been witnessed here. They worked very fast, and the many difficult feats which they introduced were marvelous. Ruth Terry is a very dainty comedienne. She introduces some very catchy and clever song numbers which were heartily applauded. The Orpheumscope has a good comedy film. Don't forget the five reels of latest licensed motion pictures, Sunday, for 5c.

Wednesday at the Grand.

Pathe's Weekly: Norfolk, Va.—The Schooner J. G. Ray is destroyed by the J. S. Revenue Cutter Conanga. Day—Ohio—The Exhibitors League. Chalons-sur-Marne, France—Corporal Deschamps is condemned to twenty years hard labor for selling a military secret and suffers the infamy of military degradation before the entire garrison. Hillsville, Va.—Scenes where the Allen gang shot up the court as sentenced was pronounced on Floyd Allen. Newark, N. J.—A novel method is used to wreck a chimney. Paris, France—Spring styles in millinery and hair dressing. Havana, Cuba—The most impressive naval ceremony of modern times—the burial of the U. S. S. Maine—Stevens' orchestra. Benlah Clarke's singer. All at the Grand on Wednesday for five cents.

"Dear Mary, I'll tell you a secret! It is the tonic properties carried in the lather of Mrs. Mason's Old English Shampoo Cream into the roots of the hair, that stops the hair from coming out and stimulates its growth, just as water does a plant." Mrs. Mason's Old English Shampoo Cream is so different from ordinary shampoos and head washes that it cannot be classed with them. You need to try it once to realize that it represents an entirely new idea in hair treatment. It cleanses the hair beautifully and makes it grow and you can use it as often as you want to. It only costs 25c a tube, enough for three or four shampoos. You can get it at Frank D. Hall's drug store.

At Wonderland Tonight.
"The Divorce Cure." In which Evelyn Francis and her little daughter play the leading parts will be repeated tonight with two new reels "Little Red Riding Hood" and "The Tragic Moment." Immense crowds are enjoying these—a well earned compliment to a Newark girl. Don't miss it tonight.

MUST PROTECT MEATS FROM THE DUST AND FLIES

Health Officer Krauss issued an ultimatum Tuesday morning that meat dealers would no longer be permitted to haul meats through the street unenclosed from dust and flies. This is merely an enforcement of the rules and regulations of the health department adopted some years ago. It has long been the practice of certain meat dealers to ignore the law, and it has been a frequent sight in the city streets to see a wagon loaded with all kinds of meats, absolutely unprotected, being hauled from one point to another. The health officer states that no further warnings will be given the violators of this regulation, and that arrest will follow as rapidly as the violations are observed.

SINKING FUND TRUSTEES WILL PURCHASE BONDS

The sinking fund trustees will buy the \$7,400 worth of bonds issued for the purpose of paying the damages resulting from the project in South Sixth street. The purchase of the bonds by the trustees will save the expense of advertising and selling the bonds as required by law. The transfer will be made as soon as the bonds come from the hands of the printers. As soon as possible after the bond sale, the city auditor

ANNIVERSARY OF SCIENTIFIC ASSOCIATION

The twenty-fifth anniversary of the founding of the C. L. Herrick Scientific Association of Denison University will be held in Granville at Recital Hall this evening.
Dr. C. J. Herrick of the University of Chicago, professor of neurology, a former Denison professor, will deliver the principal address of the evening.
Prof. A. D. Cote of Ohio State University, former professor of physics at Denison, will also deliver an address, as will Prof. Frank Carney and Prof. Ellis E. Lawton.

The Danger After Grip
Lies often in a run-down system. Weakness, nervousness, lack of appetite, energy and ambition, with disordered liver and kidneys often follow an attack of this wretched disease. The greatest need then is Electric Bitters, the glorious tonic, blood purifier and regulator of stomach, liver and kidneys. Thousands have proved that they wonderfully strengthen their nerves, build up the system and restore to health and good spirits after an attack of grip. If suffering, try them. Only 50c. Sold with perfect satisfaction guaranteed by F. D. Hall.

THE PANIER DRESS FASHION CREATION

Summer gowns will be of panier effect. Many June brides are having incorporated in their trousseaus panier dresses, which, in all probability, will be the rage at summer resorts. The above illustration is a panier of black and white check silk, and bands of black taffeta.

OCEAN DISASTER

(Continued from Page 1.)
the disaster will not come to St. John. She has no signs of survivors.

New York, April 16.—Two mes-
sages received shortly after 10
o'clock today by the Marconi wire-
less telegraph company from the
company's stations at Cape Race
and Sabie Island make it appear that
there is none of the Titanic passen-
gers on either the steamship Paris-
ian or Virginia. The messages reads:
"The Marconi station at Sabie Island
has been in communication with
the Parisian and the ship has no
passengers from the Titanic." The
other message reads: "The Marconi
station at Cape Race reports that it
has no communication with the Vir-
ginia and does not believe any Titan-
ic passengers to be on that vessel."

The Carpathia will arrive at New
York Thursday afternoon according
to word received by Col. Loeb, col-
lector of customs. Assistant Sec-
retary of the Treasury Curtis has di-
rected that the customs regulations
be waived and that the landing of
everybody be facilitated. Captain
Rostron of the steamship Carpathia
sent a wireless message to Charles
P. P. Sumner, general agent of the
Cunard line here this morning giv-
ing the information that the Car-
pathia with 832 survivors of the Ti-
tanic on board was proceeding slowly
to New York through a field of ice.

These facts convince the world
that the great steamship has brought
the greatest disaster ever known. It
is estimated that the loss of life is
1234 souls. The ten million dollar
steamer with cargo and jewels worth
probably ten millions more is a total
loss.

No mention is made among the
survivors that Col. John Jacob Astor,
and his bride, formerly Miss Force
of New York, had been saved. Marlon
Archibald Dutt, President Taft's aide
is still unaccounted for as are many
others of international prominence.
J. Bruce Ismay, president of the In-
ternational Mercantile Marine Com-

HALF BILLION DOLLARS REPRESENTED BY TITANIC'S LIST OF PASSENGERS

New York, April 16.—Untold
wealth was represented among the
passengers of the Titanic, there be-
ing on board at least six men each
of whose fortunes might be reckon-
ed in tens of millions of dollars. A
rough estimate of the total wealth
reported in the first-class passenger
list would reach over \$500,000,000.

The wealthiest of the list is Col.
John Jacob Astor, head of the fam-
ous house whose name he bears, who
is reported to be worth \$150,000,000.
Mr. Astor was returning from a tour
of Egypt with his bride, who was
Miss Madeline Force, to whom he
was married in Providence Sept. 9.

Benjamin Guggenheim, probably
next in financial importance, is the
fifth of the seven sons of Meyer
Guggenheim, who founded the
American Smelting and Refining
company, the great mining corpora-
tion, and is director of many cor-
porations, including the International
Steam Pump company, of which he is
also president. His fortune is esti-
mated at \$95,000,000. His wife,
whose name does not appear on the
passenger list, is the daughter of
James Seligman, the New York
banker.

George D. Widener is the son of
P. A. B. Widener, the Philadelphia
traction king, whose fortune is esti-
mated at \$50,000,000. Isador
Straus, one of New York's most
prominent dry goods merchants, not-
able for his philanthropies, has a for-
tune also estimated to be worth \$50-
000,000. He is a director in various
banks, trust companies and charita-
ble institutions.

J. Bruce Ismay, president and one
of the founders of the International

Mercantile Marine, who has always
made it a custom to be a passenger
on the maiden trip of every new ship
built by the company, is said to be
worth \$40,000,000. It was Mr. Is-
may who, with J. P. Morgan, consoli-
dated American and British steam-
ship lines under the International
Mercantile Marine's control.

Col. Washington Roebling, build-
er of the Brooklyn bridge, president
and director of John A. Roebling's
Sons' company, is credited with a
fortune of \$25,000,000.

Among others of reputed wealth
who were on board are J. P. Thayer,
vice-president of the Pennsylvania
railroad; Clarence Moore, a well
known sportsman, whose wife was
Miss Mabel Swift, daughter of E. C.
Swift, the Chicago meat packer, and
Charles M. Hayes, president of the
Grand Trunk Pacific and vice-presi-
dent and general manager of the
Grand Trunk Railway of Canada.

Other persons of note on the first-
class list are W. T. Stead, writer,
journalist and war correspondent;
Jacques Fodrele, the short story
writer; Frederick M. Hoyt, a well
known New York yachtman; Dr.
Washington Dodge of San Francis-
co; Henry Sleeper Harper, grandson
of John Wesley Harper, one of the
founders of Harper Brothers, pub-
lishing house; William E. Carter of
Philadelphia and Newport; and
Thomas Pears, a Pittsburgh steel
manufacturer.

Familiar Noise.—John, dear, can you see
what those people at the next table
are eating? Husband: "Can't see at
all, but it sounds like celery."

Corner West Main and Eleventh St.

FIRST STEP TAKEN BY COUNCIL FOR PROPOSED BUILDING OF CITY HALL

Resolution Introduced Authorizing Appointment of a Commission of Five Citizens to Secure Site, Employ Architect, Etc.—Ordinance Was Passed to Abolish Bill Boards—Also One Requiring Motorcycles To Be Registered.

Like a bolt from a clear sky, Clerk Harold G. Franklin of the city council last night read a resolution which will prove the first step towards a new city hall for the city of Newark. The resolution was unexpected, and but one or two of the city councilmen were aware that the measure would be introduced at Monday night's meeting.

The resolution authorizes and directs the Public Service director to appoint a commission of five citizens of Newark to secure a site, either by purchase or condemnation, employ an architect and proceed with the work of providing a new building to quarter the city officials and the various city departments.

The resolution fails to state how the money is to be secured, but it is presumed that this matter is left to the commission to decide how much is needed after inquiring into the cost of the various available sites and the probable cost of a building.

The resolution was read for the first time, no effort being made to rush the legislation through. Councilman Muenz apparently thought that the members should be given opportunity to think the matter over before adopting the measure.

In addition to this measure, there were a number of other important matters brought up for consideration. An ordinance practically abolishing bill boards was introduced and passed. The city solicitor was instructed to start an injunction suit at once, to stop the proposed erection of a bill board in West Main street, between Raccoon Creek and Eleventh street.

An ordinance was also passed requiring all motor cycles to be registered and to carry numbers plainly visible at all times.

It was 8 o'clock before the meeting was called to order. All the members of the council were in their places, and after the president's gavel called the meeting to order. Councilman Dayton offered a motion to dispense with the reading of the minutes of the last meeting. This was one of the longest meetings in the council's history, and the minutes covered five closely typewritten pages in the big journal. The members were in no sort of mood to listen to the rehash of the two weeks old resolutions, petitions and ordinances.

The street committee reported on several matters, referred to it at the last meeting. It reported unfavorably upon the proposition to vacate an alley between Elizabeth and Charles streets, and recommended that the pavement asked for on Park avenue be deferred until the sewer was installed. The report was received and filed.

The law committee reported that it could find no authority in law

by which certain property owners on Granville street might be relieved from the sewer assessment as requested in a petition to the last meeting of councilmen. This report was received and filed.

The solicitor reported on the matter of widening of North street, saying that some other method would have to be adopted to raise the money than the one employed by council in this case. The issue of bonds with a view of allowing the assessments against the property benefited, to pay for the bonds, is illegal according to the opinion and prompt action must be taken as the time is almost at hand when the bonds are to be sold.

The assessment to take care of the bond issue must be made on the general tax duplicate and not against the property abutting the improvement. By this means, the expense of the improvement will be paid by the entire city instead of the Sixth street property owners.

The city engineer reported that the preliminary estimate showed that the proposed Tenth street paving, from Granville to Hoover, would cost \$3,856.50, and that the total cost to the city would be \$352.64. Councilman Dayton offered a resolution signed by E. G. Vanatta and 121 other property owners in the vicinity of Norton avenue, asking that the grade crossing of the B. & O. at that point be eliminated and that the avenue be extended. Upon Mr. Dayton's motion this petition was referred to the council as a whole, for investigation.

A. L. Larkin and 22 others submitted a petition, through Councilman Muenz, asking for the paving of Riley street, from Union to Sixteenth street. A petition for which no councilman stood sponsor requested the paving of the alley from West Main street to the Canal, first west of Third street. The latter petition was referred to the street committee.

Bill Hull's petition to vacate Neal place, a street in Hull's addition, in West Newark, was referred to the law committee. This petition has been before the council a half dozen times, and the street committee last night refused to consider it further, saying that some technical points of law were involved and that the committee on law, which includes the city solicitor, should inquire into the matter. According to the councilmen on the street committee, Mr. Hull proposes to have this street vacated, that he may appropriate it to his own use, part of which is to be given to Elizabeth chapel for a church site. In return, it is understood, Mr. Hull proposes to give a street not so wide, to take the place of Neal place. The law committee got the petition.

James M. James and 210 of his friends and neighbors, all residents of West Newark, submitted a petition, protesting against the "high handed conduct of the railroad in entering the city." The petition is a protest against the speed with which trains cross the intersecting streets in West Newark, some of which are protected only by signal bells which, the petition says, are confusing. The petition was received and filed.

Service Director Collier stated to the council that the railroad had been notified to observe the 18-miles an hour speed limit provided for in an ordinance. He stated that five days after the notification, the police officers would be instructed to make arrests if the ordinance is violated.

Other members of the council told of the visit of J. P. Dugan, from the Public Service commission of Ohio to the city yesterday. Mr. Dugan told the councilmen that he would require the signal bells at the street crossings to be placed in good condition, and that he would send a man to the city to make observations regarding the amount of traffic across the railroads at First street and Church street, with a view of determining whether a crossing watchman is necessary.

An ordinance by Councilman Dayton to transfer \$100 from one fund of the public safety department to

another, was passed under suspended rules.

An ordinance introduced by Councilman Muenz amending Section 380 of Ordinance No. 1561, prohibits the posting of bills in the city limit on boards, posts, buildings, sidewalks, or other places. The ordinance states that this shall not be construed to mean that the owner of a building or store can not advertise his goods or products. The measure was passed under suspended rules.

Another ordinance by Councilman Muenz, passed under suspension of rules, requires all motor cycle owners and operators to register their machines at the office of the service director. A fee of \$1 for registration is provided in the measure, and each machine must carry two placards bearing a serial number.

The following resolutions were adopted:

By Muenz—To prepare plans for the paving of Riley street from Union to Sixteenth; by Keller—declaring it necessary to pave Tenth street between Granville and Hoover; by Muenz—directing the city engineer to prepare plans for sidewalks, on both sides of West Main street, from Eleventh to Sixteenth; by Muenz—directing the city solicitor to enjoin the erection of a bill board on the south side of West Main street, between Raccoon Creek and Eleventh street; by Dwyer—directing the engineer to prepare plans for the paving of the first alley west of Third street, from Main to Canal; by Keller—declaring it necessary to pave Locust street, from the railroad to Stansbury street, and from Fourth to Fifth street; by Dayton—approving of the engineer's plans for the Jackson street sewer.

Councilman Muenz's "City Hall" resolution was read for the first time. It provides for the appointment of a commission of five citizens by the service director, who will select a site, an architect, provide for the furnishing and equipment of a new city hall. The commission is authorized to select a clerk and fix his compensation, the commissioners will draw \$5 per day, but not more than \$200 per year, all of which is subject to the approval of the service director. The resolution will require three readings before it becomes effective.

The special committee appointed

WHAT A TONIC SHOULD DO

Increase the Strength and Give
Vigor to the System.

Webster's dictionary defines a tonic as a medicine that increases the strength and gives vigor to the system. That tells why Dr. Williams' Pink Pills for Pale People are a real tonic. Thousands of men and women are ailing today, not in a bad way, but without strength and ambition to do a full day's work. No one organ seems to be at fault yet the whole system is lacking in health. They cannot sleep or get rest, are always tired out or nervous. Many have headaches, backaches and stomach trouble. All such people need the tonic help of Dr. Williams' Pink Pills for Pale People. The beneficial influence of this medicine reaches the whole system. Dr. Williams' Pink Pills do more than relieve one or two of the symptoms, they remove the cause.

The experience of Mrs. James F. Meynell, of Sullivan, Mo., with this blood-making medicine is given in her own words, as follows: "My reason for recommending Dr. Williams' Pink Pills for Pale People is that they saved me from a long illness and probably from consumption a few years ago. When teaching a country school I became so completely run down that I could not attend to my duties. My appetite failed me and I became so weak that it was with great difficulty that I could walk upstairs. I had palpitation of the heart and was short of breath. I also lost my weight. The people with whom I boarded recommended Dr. Williams' Pink Pills for Pale People. I gave the remedy a trial and soon felt my strength returning. In a very short time I was perfectly well. More recently I again took Dr. Williams' Pink Pills. I had been suffering from rheumatism for several months. The disease settled in my joints all over my body. I could just get around the house by the aid of a chair. The pains were so sharp that I could hardly keep from screaming. I suffered all through the summer until early fall. As the doctor did not help me I again turned to Dr. Williams' Pink Pills. I gradually got better and took the pills until cured and have had no return of the rheumatism since."

Dr. Williams' Pink Pills are sold by all druggists, or sent by mail, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by Dr. Williams' Medicine Company, Schenectady, N. Y.

to investigate the Howell Provision plant's condition reported that as the plant had ceased operations, there was no further cause for a kick, but that if the company resumed operations, the committee suggested that another inspection be made.

The special committee appointed to investigate the disposal of garbage at the dump, reported that it had not finished its investigation and requested more time. Before the meeting adjourned, Councilman Prior again brought up the question of the subways and asked if there was any information for the council regarding the action of the engineers for the railroad company on the plans for the grade elimination project. He was referred to the city solicitor.

FOR FRECKLED, ROUGH OR SPOTTY COMPLEXIONS

(From the Dermatologist.)
The freckling, discoloring or roughening to which delicate skins are subject after exposure to wind or sun, often appearing in spring, may readily be gotten rid of. Mercolized wax, spread lightly over the face before retiring and removed in the morning with soap and water, completely peels off the disfigured skin. Get an ounce of the wax from any druggist. There is no more effective way of banishing freckles or other cutaneous defects. Little skin particles come off each day, so the process doesn't even temporarily mar the complexion, and one soon acquires a brand new, spotless, girlishly beautiful face. Wrinkles caused by weather, worry or illness are best treated by a simple solution of powdered saxolite, one ounce, dissolved in a half pint which hazel. Bathing the face in this produces a truly marvelous transformation.

Diplomacy—Butler—"There's a man below to see you sir." Mayberry—"What did you tell him?" Butler—"I told him you told me if it was a lady to say you were in, and if it was a man, to say you were out."

Mayberry—"What did he say then?" Butler—"He said to tell you he was a lady."—Harvard Lampoon.

DEAFNESS CANNOT BE CURED
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have rumbling sound or imperfect hearing, and when it is strictly closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
J. C. CHENEY & CO., Toledo, O.
Sold by Druggists, 75c.
Take Hall's Family Pills for constipation.

PERRYTON

Be sure and hear Mr. Wiggan at the Disciple church, Friday night, April 19. The subject of his lecture will be "Dollars and Sense."

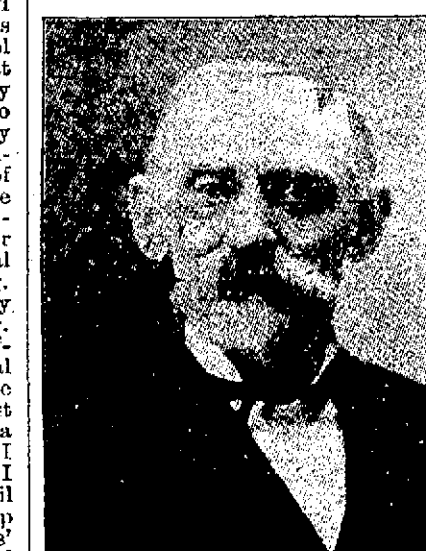

Miss Blanch Conger of Lawn View spent from Friday until Sunday night the guest of Newark friends.

Mrs. Frank Phillips spent Saturday and Sunday with her mother at St. Louisville.

Misses Dollie Lake of Lake Farm, and Helen Kilpatrick of this place spent Saturday and Sunday with Miss Beatrice Nolan of Reform.

Miss Jessie Wright was the guest of friends at Zanesville and Dresden from Friday until Sunday night.

ANNOUNCEMENT

Please announce that I am a candidate for a first term nomination, as Probate Judge, against Robbins Hunter, who is also a candidate for a first term nomination.
R. G. SMYTHE.

BERT O. HORTON CANDIDATE FOR CLERK OF COURTS

BERT O. HORTON.

Bert O. Horton, Democratic candidate for Clerk of Courts, was born and raised on a farm in Newton township and has always lived in Licking county. He is a son of James E. Horton, the carpenter and contractor. He has always been an active party worker, and has had ten years experience in bookkeeping and general office work and believing that his qualifications are sufficient, asks your favorable consideration on nomination day. If

At the least the London suffragists have the consolation of not being compelled to return to the conventional method of shopping.

Truly is the lot of the London suffragists a hard one. Punch now refers to them as "suffs."

Health And Success

are such intimate relations that no one can be expected to be well acquainted with success who does not keep good hold on health. Most serious sicknesses start in minor troubles of the digestive organs. Thousands know by actual experience that health and strength—and therefore success—

Are Increased By Use of

Beecham's Pills in time, and before minor troubles become deep-seated and lasting. This famous family remedy will clear your system, regulate your bowels, stimulate your liver, tone your stomach. Then your food will properly nourish you and enrich your blood. You will be healthy enough to resist disease—strong enough to take due advantage of opportunity after taking, as needed.

BEECHAM'S PILLS

Sold everywhere In boxes 10c., 25c.

Choice Cut Flowers

When you wish to see some beautiful flowers look in the window at Hall's Drug Store and you will see some very choice ones which are home grown, having been grown in the green houses of A. J. Baldwin of our own city.

Carnations in beautiful shades, Red, Pink and White, ROSES, TULIPS, JONQUILS, and SWEET PEAS.

We have these flowers for sale and the prices are very reasonable.

ZANESVILLE PRESBYTERY IN SESSION

The Zanesville Presbytery convened in Newark at 7:30 o'clock Monday evening at the Second Presbyterian church. The church was well filled and over 10 delegates were present at the opening session. Rev. Homer Noble of Fredericktown, the retiring moderator, delivered the sermon. He took for his text the 83d Psalm, and the 5th verse: "My soul shall be satisfied as will my marrow and my fatness and my mouth shall praise with joyful lips." Rev. Mr. Noble was assisted by Rev. H. A. Border of Zanesville and Rev. A. Newcombe of Bladensburg.

Following the sermon the sacrament of the Lord's supper was administered by Rev. Dr. Dickinson of Zanesville and Rev. Mr. Boyer of Johnstown.

The time was then given over to the nomination and election of a moderator for the Presbytery. Rev. Maurice E. Wright of Jersey was nominated and elected unanimously as the present moderator.

The Zanesville Presbytery is made up of the Presbyterian churches in Zanesville, Mt. Vernon, Newark, Coshocton, Utica, Fredericktown, Patastala, Jersey, Frazeeburg, Hanover, Brownsville, Jacksonstown and other of the smaller towns. Sessions will be continued throughout today and among the other business coming before the assembly will be the arrangement for the installation of Rev. Marvin Hazlett, the new pastor of the First Presbyterian church and the recognition of the resignation of Rev. G. W. Applegate, who was pastor of the Woodside Presbyterian church.

The sermon at tonight's session will be delivered by Rev. John W. Day of the First Presbyterian church of Columbus.

OLD FEES FOUND ON COURT RECORDS

(Communicated.) My attention has been called to a communication in Monday's Advocate by Mr. C. L. Riley, entitled "Old Fees Found on Court Records."

I much regret that this controversy should have arisen, as I have always entertained the highest personal regard for Mr. Riley and the tone of his communication would seem to indicate that his feeling towards me is somewhat different.

In justice to myself, however, I must ask the privilege of giving the correct history of the matter. The article in the Utica Herald and was afterwards copied verbatim by the Newark Tribune.

March 30, 1912, Mr. E. L. Kempton of Utica called at my office and asked me to prepare a release for a mortgage. The original instrument had been lost, and I accordingly wrote him a separate release for which I charged him fifty cents. We went to the Recorder's office, had the release recorded for which Mr. Kempton paid the recorder the legal fee. As we were leaving the Recorder's office Mr. Kempton stated that some fellow had written him a letter about a witness fee, which he (Mr. Kempton) knew was coming to him in a case in which he had testified, and had asked that the writer be allowed to collect the same on a "divvy."

"O," I said, "You don't need anyone to collect that for you. Go get it yourself." I then asked who had written the letter but Mr. Kempton said he had forgotten. I then went with Mr. Kempton, who collected the fee, and later the conversation which Mr. Riley has nearly, though not exactly, correctly stated took place. In justice to Mr. Riley he may have gotten the impression he states in the communication. What I said to Mr. Riley was this: "Mr. Kempton assured me. He said everybody in Newark had held him up but you I charged him for the work I did for him. The Recorder charged him for the record he had made, and the Clerk of Court charged him ten cents for this witness fee." All this was entirely regular and proper as Mr. Riley will agree. I had no intimation at the time that the letter Mr. Kempton referred to had emanated from the Auditor's office. A few days later I was in Utica and a young lady gave me the letter in question which had been handed to her by Mr. Kempton.

I called the attention of Mr. Harry Harris, publisher of the Herald, to the letter and suggested that he note that any one could get witness fees by calling for them, as I thought it rather contemptible that parties should charge when they had rendered no service. Nothing personal was mentioned. Mr. Harris wrote the article with the intimation as I suppose of preventing persons from being victims. I suggest now that if the article was "sarcastic and unmanly" Mr. Harris is abundantly able to defend himself.

As to the first proposition that I ever charged anyone for collecting a witness fee, it is absolutely untrue. I can and will secure an affidavit from Mr. Kempton to this effect. Mr. Riley doesn't say the article is in effect in any sense untrue. The truth is never unmanly. It may seem sarcastic to the person who doesn't desire to hear it.

This brings me to the second proposition, that the letter written by Walter Riley was not written in the exact words as printed in the Utica Herald of April 12. The best evidence is the letter itself. I still have it and anyone interested may see it by asking me. There are two misspelled words in the original letter, otherwise the wording in the Utica Herald is identical.

Now on the face of Mr. Riley's article, if he saw the letter before it was mailed, why, if he says the practice is not commendable, did he not prevent it being sent out from the Auditor's office? He evidently could have done this as he says the writer

"The Store of Newark, Ohio, Where Quality Counts"

BOY'S NIGHT AT Y. M. C. A.

On Monday night from 6 until 8 the boys, who have been attending the Sunday afternoon meetings, were entertained at the Y. M. C. A. Fifty boys, composing the groups number 1-9-10 were present. At 6 o'clock the boys gathered in the boys room where one-half hour was spent in playing the various games and at 6:30 refreshments were served them in the banquet room by two ladies from the Central Church of Christ and two from the Second Presbyterian church. After supper the boys spent some time in guessing contests. At 7 o'clock they were taken to the gymnasium where they spent an hour in playing such games as boys enjoy. The prizes for running were given to Arnold Chesley and Swisher Marshall. Courtney Heile won the prize in the swimming contest. There being no one to enter the contest for the cadets that prize was not given. The rewards for these contests were a one-half membership in the Y. M. C. A. The rest of the boys who have attended the required number of meetings will be entertained in the following order:

Groups No 2-5—Thursday evening, April 18
Groups No 4-6—Monday evening, April 22
Groups No 3-7-8—Thursday evening, April 25.

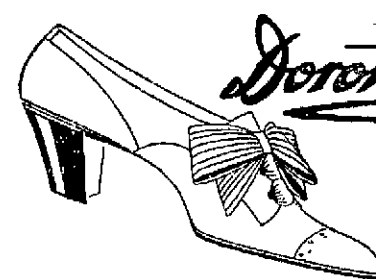

Hicks' Capudine Stops Headaches

Some derangement causes every headache. **Capudine** removes the cause—whether from heat, cold, stomach, or over-tense nerves.

Capudine acts quickly, is a liquid—pleasant to take. It is good for colds and gripp also. Try it.

"FOR WOMEN OF TASTE"

**Dorothy Dodd
SHOES**

\$3.50 \$3.00 \$2.50

THE French are clever people. They have a proverb that if a woman is well shod and well gloved you don't need to question further about her. When a woman wears "Dorothy Dodd" Shoes, she has one of her two passports to good society. Not one person in a hundred can tell a "Dorothy Dodd" from an \$8 custom-made shoe. We want you to see the new styles.
